RV College of Engineering®

Guidelines and Information of Postgraduate Programs

Academic Planning, Assessment & Evaluation Process

With Effect From Academic Year 2026-27

2026

RV College of Engineering®

NAAC GRADE A+ ACCREDITED INSTITUTION

SINCE 1963

SHAPING VISIONARIES, CRAFTING INNOVATORS

An autonomous institution affiliated with VTU, Belagavi, and approved by AICTE and UGC, New Delhi

RV SATELLITE-1 (RVSAT - 1) India's First Microbiological Payload, launched by RVCE students in December 2024

NCC - Best Institution Award of Karnataka and Goa Directorate (2019, 2022, 2023 & 2025)

AUTONOMOUS CAR India's first driverless car has been successfully tested at Bengaluru's RV College of Engineering as a part of Wipro-IISc-RVCE WIRIN (Wipro-IISc Research and Innovation Network) initiative.

MoU with TATA Technologies to establish Centre for Invention, Innovation, Incubation & Training.

MoU with Bentley Systems India Pvt.Ltd. for Setting up Bentley Center for Infrastructure Innovation

MoU with Bajaj Auto Foundation to implement the **Bajaj Engineering Skills Training (BEST) Programme**.The initiative will provide industry-focused training and hands-on learning in Electronics Manufacturing Systems (EMS).

Placements

- **₹80.20 LPA** Highest Package
- **250+** Recruitment Partners
- **92%** Placement Rate
- **₹11.50 LPA** Median Salary

Rankings

- **101-150** NIRF Rankings 2025 Engineering Category
- **1501+** Times Higher Education World University Rankings-2026
- **601+** Times Higher Education Asia University Rankings-2026
- **NBA** Eligible UG and PG programs accredited multiple times
- **IIRF 2026** Engineering ranking India State - 02 South Zone - 02
- **NPTEL** Local Chapter Ranking 2025 National - 21 State – 01 AA Rating

Research and Centres

37 Skill Labs

General Skills, Domain Skills, Interdisciplinary Skills

- Bosch Rexroth
- Mercedes Benz
- Morris Garage
- Boston AI System
- Toyota Kirloskar
- Vision Astra EV Academy

Outcome Based Education (OBE) emphasizing on experiential learning, research-based learning and skill-based learning

- **20** Centres of Excellence
- **8** Centres of Competence
- **137** Patents filed
- **107** Patents published
- **55** Patents granted
- **32** Innovative & Cultural activity teams
- **₹30 Cr.** Research and projects consultancy (last 5 years)

16 Research Centres in niche areas

- Autonomous Vehicles
- Nanomaterials and Devices
- Hydrogen and Green Technology
- Extended Reality and Visnet Computing
- Healthcare
- E-mobility
- IoT and Sensors
- Smart Antenna System
- Computational Genomics
- Quantum Computing

Programs, Intake and Staff

- **13 UG** Programs;**1420 (2025)** annual sanctioned intake
- **13 PG** Programs including MCA **354 (2025)** annual sanctioned intake
- **Ph.D.** Programs in all departments
- **500+** Faculty Members and Staff

State-of-the-Art infrastructure

- **Innovation Center**
- **Student Spaces**
- **Gymnatorium**
- **Hostels**
- **Labs & Workshops**
- **Food Court**

CET / KEA Code: **E005**
COMED-K Code: **E095**
PGCET Code (MTech): **T857**
PGCET Code (MCA): **C463**

Alumni

- **36,000 +** Alumni across the globe
- **100+** RVCE alumni in civil service

RVCE Reconnect - USA edition, our first International Alumni Meet

NUMBER OF ATTENDEES

- **650** San Jose
- **120** Seattle

Mr. Suresh Katta, RVCE alumnus & Chairman Emeritus of Saama Group, USA and **Mr. Anil Kumble,** RVCE alumnus & former Indian cricketer, were the Guests of Honour at the alumni meets held in San Jose & Seattle, USA.

Collaborations with 140+ MoUs with Industry, Institutions & Research Establishments

International universities

thws Technical University of Applied Sciences Würzburg-Schweinfurt · Fachhochschule Dortmund University of Applied Sciences and Arts · Technische Hochschule Rosenheim · HTWD Hochschule für Technik und Wirtschaft Dresden University of Applied Sciences · The University of Iowa · FIU Florida International University · Saint Peter's University · Kennesaw State University · RWTH Aachen University · The University of Arizona

Go, change the world®

VISION

Leadership in Quality Technical Education,
Interdisciplinary Research & Innovation, with a Focus on
Sustainable and Inclusive Technologies.

MISSION

- To deliver Outcome Based Quality Education, emphasizing on experiential learning with state-of-the-art infrastructure.
- To create a conducive environment for interdisciplinary research and innovation.
- To develop professionals through holistic education focusing on individual growth, discipline, integrity, ethics and social sensitivity.
- To nurture industry-institution collaboration leading to competency enhancement and entrepreneurship.
- To focus on technologies those are sustainable and inclusive, benefiting all sections of the society.

QUALITY POLICY

Achieving Excellence in Technical Education, Research and Consulting through an Outcome Based Curriculum focusing on Continuous Improvement and Innovation by Benchmarking against the global Best Practices.

CORE VALUES

Professionalism, Commitment, Integrity, Team Work and Innovation.

GLOSSARY OF ABBREVIATIONS

1.	**Academic Autonomy**	Freedom given to a College in all aspects of conducting its academic programs, granted by the University for promoting excellence (within the guide lines of VTU)
2.	**AC**	Academic Council
3.	**Autonomous College**	College designated as an autonomous college by the university, as per the VTU Autonomous College Statute- 2006.
4.	**AUD**	Audit Course
5.	**AEC**	Ability Enhancement Course
6.	**BoS**	Board of Studies
7.	**CIE**	Continuous Internal Evaluation
8.	**Commission**	University Grants Commission
9.	**Council**	All India Council for Technical Education
10.	**CGPA**	Cumulative Grade Point Average
11.	**GAC**	Grading Advisory Committee
12.	**MHRD**	Ministry of Human Resources Development
13.	**DX (NSAR /NSSR)**	Not Satisfied Attendance Requirement/ Not Satisfied Sessional Requirement (did not get the Minimum CIE requirement to appear for SEE)
14.	**SEE**	Semester End Examination
15.	**SGPA**	Semester Grade Point Average
16.	**University**	Visvesvaraya Technological University (VTU)
17.	**UG**	Undergraduate Program
18.	**PG**	Postgraduate Program
19.	**MCA**	Master of Computer Applications
20.	**MPD**	M.Tech in Product Design & Manufacturing
21.	**MDC**	M.Tech in Digital Communication
22.	**MCE**	M.Tech in Computer Science & Engineering
23.	**MVE**	M.Tech in VLSI Design & Embedded Systems
24.	**MCN**	M.Tech in Computer Network Engineering
25.	**MMD**	M.Tech in Machine Design
26.	**MCS**	M.Tech in Communication Systems
27.	**MPE**	M.Tech in Power Electronics
28.	**MST**	M.Tech in Structural Engineering
29.	**MSE**	M.Tech in Software Engineering
30.	**MIT**	M.Tech in Information Technology
31.	**MHT**	M.Tech in Highway Technology
32.	**MBT**	M.Tech in Biotechnology
33.	**MDC**	M.Tech in Digital Communication
34.	**RVU**	R V University
35.	**MoE**	Ministry of Education
36	**PH**	Physics

ANNEXURE-I: KEY EXECUTIVES			

1. PROFILE OF THE INSTITUTION

1.1 RASHTREEYA SIKSHANA SAMITHI TRUST (RSST)

Committed towards the dissemination of knowledge for the last 8 decades, we at Rashtreeya Sikshana Samithi Trust (RSST/RV) are dedicated to impart quality education in all disciplines. Our purpose of providing education at a higher scale was etched in stone in 1940 with the inception of the RV Higher Primary School by late M.C. Sivananda Sharma.

Described by many as insightful and hardworking, he was born and raised in a village called Madarahalli where he discovered his passion for reading books and learning from a young age. Inspired by the teachings of Mahatma Gandhi, Sri. Sivananda Sharma joined the Indian Independence movement as a freedom fighter, where he realized his purpose of providing quality education for the development of the country. Following the principles of the Indian educationist Pandit Madan Mohan Malaviya, he initiated the journey of RV Educational Institutions (RVEI) from a single classroom with an enrolment of 6 students.

Today, our educational ecosystem consists of more than 20 institutions, which are supported by more than 2000 staff members, with nearly 20000 students. Our academic infrastructure comprises of degree colleges, health science institutions, technology institutions, pre-university colleges & schools. We initiated RV-Skills to provide industry centered courses in Artificial Intelligence (AI), Automotive Engineering (AE) and Very Large System Integration (VLSI). Latest addition is RV University (RVU), a State Private University which has been established in Karnataka State, with RSST as the sponsoring body in the year 2020**.** **RVU** is offering UG, PG and Doctoral degree in Liberal Arts and Sciences, Design, Law, Computer Science, Economics and Finance. Additionally, we also have an Incubation Centre to guide & fund budding start-ups.

RV Institutions are dedicated to the mission of providing "excellence in education with societal commitment". The institutions provide equal opportunities to underprivileged and students with special needs. We also undertake social welfare initiatives through our institutions by organizing health camps, enhancing education in government schools and community awareness programs in rural areas.

We earnestly endeavor to make every student a success story. Our motto "Go, Change the world" inspires us to create a holistic educational experience, which empowers our students to grow and develop as global leaders who can revolutionize their respective fields for the betterment of society.

1.2 RV COLLEGE OF ENGINEERING (RVCE)

RV College of Engineering (RVCE), established in 1963 is one of the earliest self-financing engineering colleges in the country. The institution is run by Rashtreeya Sikshana Samithi Trust (RSST), a not-for-profit Trust. RVCE is an Autonomous college. Currently, the institution offers 13 Bachelor, 13 Master Programs and all the departments have Research Centres, affiliated to Visvesvaraya Technological University (VTU) Belagavi. The institution has set itself a Vision *"Leadership in Quality Technical Education, Interdisciplinary Research & Innovation, With a Focus on Sustainable and Inclusive Technology"*.

Recent awards and achievements include - NAAC accreditation "A+ " grade, Rank band 101-150 in the Country by National Institutional Ranking Framework (NIRF: 2025), QS I-GAUGE Overall Rating: DIAMOND, Ranked 2nd in the country - IIRF Ranking (2026 - Pvt. Engg. Autonomous Colleges), Ranked 5th among the top 10 of 250 Pvt. Engg. Colleges in the Country by Education World Magazine-2026. Ranked 1501+ in Times Higher Education World University Rankings-2026. Ranked 1001+ in Computer Science and 1251+ Rank in Engineering category in THE World University Rankings-2026, Ranked 1001-1500 in Impact Ranking in THE World University Rankings-2026, Ranked 601+ in THE World University Rankings (Asia)-2026, and NPTEL (Local Chapter) "AA" Rating.

The institution has to its credit over 1800 National and International Journal publications, filed 139 patents, 107 published patents, 55 granted patents, completed sponsored research and consultancy projects worth Rs. 30.0 crores in the last five years. The institution has established 28 Centres of Excellence / Centres of Competence in niche areas of science and technology. The students have won awards and accolades in national and international competitions.

1.3 PROGRAMS OFFERED BY THE INSTITUTION (with effect from 2026)

(A) Undergraduate Programs

Sl. No.	Program	Year of Starting	Branch code
1	B.E. in Civil Engineering	1963	CV
2	B.E. in Mechanical Engineering	1963	ME
3	B.E. in Electrical & Electronics Engineering	1963	EE
4	B.E. in Electronics & Communication Engineering	1972	EC
5	B.E. in Industrial Engineering & Management	1980	IM
6	B.E. in Chemical Engineering	1982	CH
7	B.E. in Computer Science & Engineering	1984	CS
8	B.E. in Electronics & Telecommunication Engineering	1992	ET
9	B.E. in Biotechnology	2002	BT
10	B.E. in Aerospace Engineering	2015	AS
11	B.E. in Computer Science & Engineering (Data Science)	2022	CD
12	B.E. in Computer Science & Engineering (Cyber Security)	2022	CY
13	B.E. in Computer Science & Engineering (Artificial Intelligence & Machine Learning)	2024	CI

(B) Postgraduate Programs

Sl. No.	Program	Year of Starting	Branch Code
1.	Master of Computer Applications	1997	MCA
2.	M.Tech in Product Design & Manufacturing	2004	MPD
3.	M.Tech in Digital Communication	2004	MDC
4.	M.Tech in Computer Science & Engineering	2004	MCE
5.	M.Tech in VLSI Design & Embedded Systems	2005	MVE
6.	M.Tech in Computer Network Engineering	2005	MCN
7.	M.Tech in Machine Design	2006	MMD
8.	M.Tech in Power Electronics	2006	MPE
9.	M.Tech in Structural Engineering	2006	MST
10.	M.Tech in Software Engineering	2006	MSE
11.	M.Tech in Information Technology	2007	MIT
12.	M.Tech in Highway Technology	2009	MHT
13.	M.Tech in Biotechnology	2011	MBT

C. Research Centers

The following departments offer M.Sc (Engg.) by research and Ph.D., recognized by VTU.

Sl. No.	Program	Year of Starting
1.	Mechanical Engineering	1999
2.	Chemical Engineering	2000
3.	Electronics & Communication Engineering	2004
4.	Industrial & Engineering Management	2004
5.	Electronics & Telecommunication Engineering	2004
6.	Computer Science & Engineering	2004
7.	Civil Engineering	2005
8.	Biotechnology	2008
9.	Chemistry	2008
10.	Information Science & Engineering	2011
11.	Master of Computer Applications	2011
12.	Physics	2011
13.	Electronics and Instrumentation Engineering	2011
14.	Mathematics	2011
15.	Electrical and Electronics Engineering	2012
16.	Aerospace Engineering	2024

D. Diploma (UG & PG) and Certificate Courses /Proficiency Courses

This shall help in-house and external professionals and students to gain additional skills in the state-of-the-Art Technology and Science. Proficiency / Certificate courses are also being offered from time to time for both UG and PG students for upgrading their knowledge and skills. Such courses are open to outside participants also.

1.4 OUTCOME BASED EDUCATION (OBE) WITH EXPERIENTIAL LEARNING (EL)

RVCE has held autonomous status for its undergraduate (since 2007) and postgraduate (since 2016) programs under VTU, UGC, and the Government of Karnataka, allowing it to design its own syllabi and academic frameworks. Implementing Outcome Based Education (OBE) with a focus on ICT and project-based learning, the institution has integrated UN Sustainable Development Goals (SDGs) into its experiential learning model. This framework drives multidisciplinary student groups to tackle real-world global challenges—such as clean energy, climate action, and sustainable communities—fostering innovation, teamwork, and lifelong learning that frequently secure funded research projects. Through a curriculum rich in foundation courses, MOOCs, NPTEL, and industry electives, RVCE builds domain competence to successfully prepare students for employment, higher education, entrepreneurship, and public service.

The academic activities concentrate on helping the students to gain an excellent theoretical knowledge base and in the development of skills to implement them. The latest teaching aids from multimedia equipment to simulation techniques ensure a thorough learning process. The college regularly invites experts and industry professionals to impart practical skills and lessons to students. Industrial visits are encouraged to help the students to grasp the technology at work. It is up to the student to take advantage of opportunities provided and build a bright future.

1.5 INTER-DISCIPLINARY RESEARCH & INNOVATION

R.V. College of Engineering (RVCE) has built a strong foundation for interdisciplinary research and innovation, anchored in the institution's core strengths and aligned with national priorities. With a clear focus on developing a Unique Selling Point (USP) for the college, RVCE seeks to contribute to sustainable development, drawing inspiration from ancient Indian practices and Gandhian principles. The institutional motto, "Leveraging global knowledge and delivering local solutions," reflects this ethos.

Advancing as a Research-Led Institution

RVCE has transitioned into a research and teaching institution with a strong emphasis on innovation. Many of its faculties hold doctoral degrees and are engaged in impactful research, supported by institutional incentives for sponsored projects and consultancy. Over the past three years, RVCE has:

a. Published over **4,500+ research papers** in reputed national and international journals.
b. Executed **research and consultancy projects worth ₹398 Lakhs in sponsored projects** and **₹1,086 Lakhs in consultancy projects** over the period **2022–23 to 2024–25**.
c. Filed over **131 patents**, with **103 published** and **54 granted**.

Infrastructure and Research Ecosystem

The institution supports its research community with:

a. Over 75 licensed software tools for modelling, analysis, and simulation.
b. A high-end computing infrastructure.
c. 37 Skill Labs, 20 Centre's of Excellence (CoE's), and 9 Centre's of Competence (CoC's).
d. 16 Research Centre's, recognized by VTU, offering M.Sc (Engg.) by research and Ph.D. programs.
e. Research Centre's (Ph.D. & M.Sc. Engg.) Across Departments RVCE's research centre's are active in the following disciplines:

Sl. No.	Department	Year Started
1	Mechanical Engineering	1999
2	Chemical Engineering	2000
3	Electronics & Communication Engineering	2004
4	Industrial & Engineering Management	2004
5	Electronics & Telecommunication Engineering	2004
6	Computer Science & Engineering	2004
7	Civil Engineering	2005
8	Biotechnology	2008
9	Chemistry	2008
10	Information Science & Engineering	2011
11	Master of Computer Applications	2011
12	Physics	2011
13	Electronics and Instrumentation Engineering	2011
14	Mathematics	2011
15	Electrical and Electronics Engineering	2012
16	Aerospace Engineering	2024

Centre's of Excellence (CoE's) and Centre's of Competence (CoC's)

RVCE has established multiple CoE's and COC's in emerging and interdisciplinary domains, including:

SL. NO.	CENTRE OF EXCELLENCE
1.	Materials Fabrication and Characterization (CoE-MFC)
2.	RVCE- HPCC Systems Cognitive Intelligent Systems for Sustainable Solutions (CISSS)
3.	Internet of Things -CISCO-RVCE
4.	Computational Genomics
5.	Smart Antenna Systems and Measurements (SASM)
6.	Interdisciplinary Research in Quantum Information and Technology (cirquit)
7.	Connected Autonomous Vehicles
8.	e-mobility
9.	Hydrogen and Green Technology
10.	Computer Vision Research (Next Generation AI Enabled)
11.	Logistics & Supply Chain Management
12.	RVCE-BOSTON - AI Research and Business Solutions
13.	Women in Cloud Centre of excellence in India
14.	Sensor Technology Applications (CSTA)
15.	Nanomaterials and Devices (NMD)
16.	Integrated Circuits and Systems (ICAS)
17.	RV- Toyota Kriloskar Centre of excellence in Automotive Engineering,
18.	3S Infrastructure -Safe, Sustainable & Smart
19.	Extended Reality Centre for Education and Research
20.	Health Care Technology Research (CHTR)
SL. NO.	**CENTRE OF COMPETENCE**
21.	RV- Bosch Rexroth- Centre for Automation Technologies
22.	RV- Mercedes Benz Centre for Automotive Mechatronics
23.	Automation and Robotics (Digital Manufacturing),
24.	Education & Digital Learning Research (CEDLR)
25.	5G and emerging Wireless Technologies
26.	RVCE - Morris Garage-Centre of Excellence in Electric Vehicle Technology (EVT)
27.	Smart Vidyuth and Sustainable Solutions
28.	Vision Astraa EV Academy
29.	Bentley Center for Infrastructure Innovation

Key Collaborative Research Initiatives

RVCE has established a strong ecosystem of 20 Centres of Excellence (CoEs) and 8 Centres of Competence (CoCs) that serve as platforms for advanced research, innovation, industry collaboration, experiential learning, and skill development. The CoEs focus on frontier areas such as Artificial Intelligence, Data Science, Cybersecurity, IoT, Semiconductor Systems, Quantum Computing, Smart Manufacturing, Renewable Energy, Electric Vehicles, Robotics, Autonomous Systems, Aerospace, Biomedical Engineering, Sensors, and Industrial Automation. Supported by advanced laboratories, simulation facilities, and industry partnerships, these centres enable

interdisciplinary research, prototyping, consultancy, technology development, and real-world problem solving. Major industry-supported facilities include the Cisco IoT Laboratory, Wipro Autonomous Electric Vehicle Research Laboratory, Boeing-supported AICTE IDEA Laboratory, Quantum and Hydrogen Laboratories, Robotics and Automation Laboratory, 5G Research Facility, EV Maker Space, and Tata Technologies CIIIT with ₹60 Crores funding

Complementing the research-driven CoEs, the 9 CoCs focus on industry-oriented skill development, professional certifications, hands-on training, internships, hackathons, live projects, and employability enhancement in areas such as product design, embedded systems, enterprise software, and digital manufacturing. Together, the CoEs and CoCs connect academics, industry, research, innovation, entrepreneurship, and technology transfer, providing students and faculty opportunities for interdisciplinary projects, sponsored research, consultancy, patents, prototypes, and startups. This ecosystem is supported by RVCE's 160+ active MoUs, engagement with 200+ companies annually, 100+ sponsored research projects worth ₹10+ Crores, and 400+ consultancy projects generating ₹16+ Crores. Looking ahead, RVCE aims to expand CoEs and industry-supported laboratories in AI, Semiconductor Systems, Smart Manufacturing, Sustainable Mobility, Robotics, Cybersecurity, and Intelligent Systems, progressing towards international collaborative laboratories, translational research centres, technology innovation parks, and globally benchmarked innovation ecosystems.

Industry-Supported Skill Development Programmes

RV College of Engineering (RVCE) has established a comprehensive skill development ecosystem through Centres of Excellence (CoEs), industry-sponsored laboratories, and strategic collaborations with leading national and multinational organizations. These initiatives provide students with experiential learning, industry certifications, internships, live projects, and hands-on exposure to emerging technologies aligned with Industry 4.0 and the National Education Policy (NEP-2020).

a. Bosch Rexroth Automation Technologies Laboratories: Provides practical training in Industrial Automation, Hydraulics, Pneumatics, Electro-Hydraulics, PLC Programming, Motion Control Systems, Factory Automation, and Industry 4.0 technologies.
b. Mercedes-Benz ADAM Programme: The Advanced Diploma in Automotive Mechatronics (ADAM), conducted in collaboration with Mercedes-Benz India Pvt. Ltd., equips students with advanced competencies in automotive diagnostics, vehicle electronics, engine management systems, and mechatronics.
c. MG Motor India – Electric Vehicle Technology Centre: Established in collaboration with MG Motor India Pvt. Ltd., the centre provides practical training in Electric Vehicle Technology, Battery Management Systems (BMS), EV Powertrain, Charging Infrastructure, Electric Mobility, and Sustainable Transportation Systems.
d. Tata Ready Engineers Programme: Conducted in association with Tata Technologies, the programme focuses on Product Design, CAD/CAM, Digital Manufacturing, Product Lifecycle Management (PLM), Industry 4.0, and Design Engineering through project-based learning.
e. FANUC Centre of Excellence for Robotics and Industrial Automation: The FANUC Robotics Centre of Excellence provides hands-on training in Industrial Robotics, Robot Programming, Robotic Simulation, Flexible Manufacturing Systems (FMS), CNC Automation, Machine Vision, and Smart Factory Technologies, preparing students for next-generation manufacturing industries.
f. Toyota Automotive Engineering Programme: In collaboration with Toyota, RVCE offers practical training in Lean Manufacturing, Toyota Production System (TPS), Automotive Assembly, Quality Management, Manufacturing Excellence, Kaizen, Industrial Safety, and Modern Automotive Engineering Practices.
g. Bajaj Electronics Manufacturing Skills Centre: The Bajaj Engineering Skills Programme focuses on Electronics Manufacturing, PCB Assembly, Electronic Product Testing, SMT Processes, Electronic System Integration, Manufacturing Quality Control, and Industrial Production Practices, enhancing students' skills in electronics manufacturing and production engineering.

h. Samsung Innovation Campus: The Samsung Innovation Campus offers industry-oriented training in Artificial Intelligence, Internet of Things (IoT), Big Data Analytics, Coding, Embedded Systems, Digital Technologies, and Innovation Practices, enabling students to acquire globally relevant digital competencies.

i. AICTE-Sponsored "Suryamitra" Programme: Supported by AICTE, the programme develops technical expertise in Solar Photovoltaic Installation, Operation, Maintenance, Renewable Energy Systems, Green Energy Technologies, and Digital Literacy, particularly benefiting rural youth.

Flagship Projects & Strategic Collaborations

RVCE has established several landmark initiatives and strategic partnerships that foster innovation, research, entrepreneurship, and advanced skill development. These collaborations provide students and faculty with access to world-class infrastructure, emerging technologies, and industry-oriented learning opportunities.

a. RV SATELLITE-1 (RVSAT-1)

RVSAT-1, India's first student-developed satellite carrying a microbiological payload, was successfully launched in December 2024. The project demonstrates RVCE's excellence in interdisciplinary research, aerospace engineering, and space technology innovation.

b. WIRIN Initiative

The Wipro Infrastructure Engineering Research Network (WIRIN), established in collaboration with Wipro and the Indian Institute of Science (IISc), Bengaluru, promotes cutting-edge research in Autonomous Systems, Artificial Intelligence (AI), Machine Learning (ML), Robotics, and Intelligent Manufacturing.

c. Tata Technologies Centre for Innovation

RVCE has established a ₹50 Crore Centre for Innovation in collaboration with Tata Technologies to strengthen research, product design, digital manufacturing, Industry 4.0 technologies, and engineering innovation.

d. Industry Collaborations

RVCE has signed more than 125 Memoranda of Understanding (MoUs) with leading industries, universities, research organizations, and government agencies to facilitate collaborative research, internships, consultancy, faculty development, student exchange, innovation, and entrepreneurship.

e. Boeing–RVCE–AICTE IDEA Lab

The Boeing–RVCE–AICTE IDEA Lab, established through a collaborative initiative between AICTE, Boeing India, and RVCE, has been developed with a total investment of ₹90 Lakhs. The facility promotes innovation, design thinking, rapid prototyping, product development, multidisciplinary projects, and entrepreneurship among students and faculty.

f. Tata Technologies–RVCE Advanced Skill Development Centre

The Tata Technologies–RVCE Advanced Skill Development Centre represents one of the largest industry-academia collaborations in technical education. Tata Technologies has invested ₹50 Crore, complemented by an institutional contribution of ₹10 Crore from RVCE, to establish a world-class facility dedicated to Industry 4.0 and Smart Manufacturing.

The centre is equipped with state-of-the-art infrastructure in:

(i) Smart Manufacturing
(ii) Industrial Robotics
(iii) Additive Manufacturing (3D Printing)
(iv) Advanced CAD/CAM Software
(v) Digital Manufacturing
(vi) Electric Mobility Technologies
(vii) Advanced Assembly Systems
(viii) Product Lifecycle Management (PLM)

The facility serves Engineering, Diploma, and ITI students, providing hands-on exposure to advanced industrial technologies while strengthening research, innovation, entrepreneurship, and workforce development. The collaboration significantly enhances employability by preparing students with industry-ready competencies for global manufacturing and engineering sectors.

g. Bajaj Foundation Centre for Electronics Manufacturing Excellence

The Bajaj Foundation, in collaboration with RVCE, has established a ₹9 Crore Centre for Electronics Manufacturing Excellence to promote advanced skill development in modern electronics manufacturing.

The centre provides state-of-the-art facilities for:

a. Printed Circuit Board (PCB) Design
b. PCB Fabrication and Assembly
c. Surface Mount Technology (SMT)
d. Electronic Product Testing and Validation

e. Embedded Electronics Manufacturing
f. Electronics Production and Quality Assurance
g. Prototype Development and Industrial Electronics

The facility offers students practical exposure to industrial electronics manufacturing processes, enabling them to develop competencies aligned with global electronics manufacturing standards and significantly improving employability in the electronics and semiconductor industries

Interdisciplinary Research and Innovation

At RV College of Engineering, interdisciplinary research is more than an academic pursuit—it is a strategic priority. The Institute has established a vibrant ecosystem that promotes collaboration among academic departments, research centres, industries, government agencies, and international partners.

Faculty members and students actively engage in multidisciplinary research addressing contemporary challenges in advanced manufacturing, aerospace, artificial intelligence, robotics, sustainable energy, smart infrastructure, healthcare technologies, materials engineering, digital transformation, and environmental sustainability. This collaborative research ecosystem has resulted in significant contributions in the form of high-impact publications, patents, funded research projects, technology **transfer, start-ups.**

1.6 INDUSTRY INSTITUTE INTERACTION & PLACEMENT

RVCE has been rapidly expanding its Research & Development (R&D) activities and strengthening industry–academic collaborations. Several companies have established dedicated laboratories on campus, enabling students to work on live projects under industry mentorship. This has fostered strong student–industry rapport, significantly enhancing employability. Faculty and students are also actively engaged in industrial consultancy assignments.

Collaborations have yielded measurable outcomes through increased student interaction with industry professionals via industrial visits, internships, expert lectures, and skill-based training programs. The number of partnerships continues to grow each year to align with evolving industry requirements, positioning RVCE as an effective launchpad for student careers.

The institute has signed Memoranda of Understanding (MoUs) with over 130 companies worldwide, facilitating internships for students and creating research and consultancy opportunities for faculty members. Many faculty members also execute industry-funded projects, further strengthening the relationship between academia and industry.

RVCE has recorded a remarkable rise in both the number of jobs offers and salary packages in recent years. Over 250 private and public sector organizations regularly participate in campus recruitment

drives, representing diverse sectors such as Software Engineering & Information Technology, Chemical Processing, Healthcare, Bioprocessing, Pharmaceuticals, Construction, Manufacturing & Production, Consultancy, Business Analytics & Supply Chain Management, e-Commerce & Retail, Global Finance & Banking, and Research & Development.

Prominent recruiters include Confluent, Arcesium, Goldman Sachs, Microsoft, Morgan Stanley, PayPal, Qualcomm, Salesforce, SAP, Walmart, Deloitte, KPMG, NVIDIA, Google, PwC, WDC, Intel, Cisco, Texas Instruments, National Instruments, NXP, Samsung, Robert Bosch, Wipro, ABB, MindTree, Infosys, Cognizant, Tejas Networks, Micron, Global Foundries, Boeing, Airbus, IQVIA, Axis Bank, Federal Bank, among others.

Despite global economic slowdowns, RVCE experienced a reverse trend, witnessing higher placement activity. The institution has recorded strong placement performance for both UG and PG programs in the last three academic years. In 2023–24, 281 companies participated in the recruitment process, making 1155 offers. In 2024–25, 268 companies visited the campus, resulting in 968 offers, while for the ongoing 2025–26 batch, 252 companies have already made 972 offers as of date, with the process still continuing. A significant highlight is the good number of domain-specific placements across both circuit and non-circuit programs, ensuring students are placed in roles closely aligned with their academic specialization and skill sets. This targeted placement approach has been facilitated by structured technical training, soft skills development, and strong industry partnerships, enabling students to transition seamlessly into their chosen professional domains.

1.7 ENTREPRENEURSHIP CELL

The institute has been educating students about entrepreneurship for the past 10 years. The younger generation is more interested in incubating their ideas and making them into their own venture once they are out of the campus. RVCE has created an ecosystem in the campus to learn entrepreneurship. There are 5-6 courses available for students from the first year. They shall learn subjects like Intellectual Property Rights, Management & Behavior Science, Economics, Systems Engineering and many more. RVCE also has an Entrepreneurship Development Cell with over 200 students as members of it. The college has tied up with over 15 companies to give the guidance and support needed for student entrepreneurs.

1.8 STUDENT ACTIVITIES

At RVCE, student activities are an integral part of holistic development. The NSS, NCC, and Rotaract teams organize a wide range of community and social service events, encouraging students to actively contribute to society.

The Cultural Activities Team helps students discover and nurture their talents, providing a platform to showcase their skills in various cultural forums. Similarly, RVCE strongly promotes participation in sports, offering allowances, uniforms, and attendance support to student-athletes who represent the institution at university, inter-state, national, and international competitions.

RVCE also boasts more than 17 innovative student teams, working on projects such as hybrid automobiles, unmanned aerial vehicles (UAVs), drones, robots, racing cars, and the Coding Club. Students are motivated to participate in prestigious competitions, where they have consistently earned accolades at regional, university, national, and international levels. These teams are guided and mentored by experienced faculty members as well as industry experts.

In addition, the institution hosts 24 professional societies, providing students with avenues to engage in professional development, industry exposure, and technical advancements.

1.9 INTERNATIONAL COLLABORATIONS

The institution has signed MoU with University of Applied Sciences (THWS) Wurzburg-Schweinfurt, Germany, Dortmund University of Applied Science and Arts- Germany and Florida International University, Miami, USA, University of the West of Scotland-Paisley, UK and jointly working in the area of Robotics and Automation, Business Engineering, Logistics, Mechatronics, Augmented Reality, Virtual Reality and E-Mobility.

RV College of Engineering (RVCE) actively fosters international academic partnerships to enhance global exposure, promote cross-cultural knowledge exchange, and create impactful research and development outcomes. The institution has signed Memoranda of Understanding (MoUs) with a number of globally reputed universities and institutions, enabling a wide range of collaborative academic and research initiatives.

Partner Institutions:

Germany:

a. **University of Applied Sciences Würzburg-Schweinfurt (THWS)** – A long-standing partnership spanning over a decade, involving student and faculty exchange, joint research, and dual-degree initiatives.
b. **University of Applied Sciences and Arts Dortmund (FH Dortmund)**– Collaborating on design, business engineering, short term certificate course and interdisciplinary projects.
c. **RWTH Aachen University** – One of Germany's top technical universities, fostering advanced research collaborations and short-term certificate courses
d. **Rosenheim Technical University of Applied Sciences (THR)**– Engagement in the areas of mechatronics, automation, and industry-focused programs.
e. **University of Applied Sciences Dresden (HTW Dresden)** – Focused on engineering, mobility solutions, semi-conductors and innovative project-based learning.
f. **Technical University of Dresden (TUD)**: Focused on engineering, mobility solutions, semi-conductors and innovative project-based learning.

United States:

a. **Florida International University (FIU), Miami** – A comprehensive collaboration across engineering, innovation, and student mobility programs.
b. **The University of Iowa, Iowa City** – Working together on academic exchange, research projects, and student internships.

Areas of Collaboration

These partnerships span a diverse range of academic and industrial domains, including but not **limited to:**

a. Robotics and Automation
b. Business Engineering
c. Logistics and Supply Chain Management
d. Mechatronics and Embedded Systems
e. Augmented Reality (AR) & Virtual Reality (VR)
f. E-Mobility and Smart Transportation
g. Circular Economy and Sustainability

Key Collaborative Activities

The focus of these international collaborations is multi-dimensional, involving:

a. **Joint Research and Paper Publications:** Faculty and students co-author research papers in reputed journals and conferences, enhancing the global research footprint.
b. **Execution of Funded Projects and Consultancy:** Joint project execution with international partners, including industry-supported initiatives and consultancy assignments.
c. **Certificate Programs and Skill Development:** Hosting international certification programs, technical workshops, and short-term training in cutting-edge domains.
d. **Student Internships and Project Work:** Opportunities for students to undertake research projects and internships abroad, providing international exposure and industry experience.
e. **Faculty Exchange and Sabbaticals:** Facilitating academic exchange and sabbatical programs for faculty members to engage in teaching, research, and collaborative development overseas.
f. **Conferences and Joint Programs:** Co-hosting international conferences, symposiums, and academic programs to promote dialogue on emerging global challenges and technologies.

1.10 ENVIRONMENT & SUSTAINABILITY

RV College of Engineering (RVCE), Bengaluru, is committed to promoting sustainable development through quality technical education, interdisciplinary research and innovation, sustainable infrastructure, environmental stewardship and community engagement. The institution has adopted a comprehensive sustainability vision integrating the Sustainable Development Goals (SDGs) into its curriculum, experiential learning, green campus initiatives, environmental monitoring, community outreach, research and innovation and carbon-footprint reduction.

RVCE has implemented several significant green campus and resource-management initiatives. The campus has a 500 kWp rooftop solar power system, contributing to renewable energy generation and reduction of dependence on conventional energy sources. A 250 kLD Sewage Treatment Plant (STP) supports wastewater treatment and resource recovery. The institution has also developed rainwater harvesting and groundwater recharge facilities, including open-well and borewell recharge systems. Eight number of 500-litre Solar water heaters facilities are provided across all hostel blocks of RVCE to support sustainable water and energy management system.

Environmental quality is continuously monitored through dedicated facilities. RVCE has a Continuous Ambient Air Quality Monitoring Station (CAAQM) sponsored by the Karnataka State Pollution Control Board (KSPCB), along with a continuous noise monitoring station that records day- and night-time sound levels as part of the KSPCB monitoring network. The institution also promotes segregated waste collection, solid waste management, biofuel generation and characterization, and other resource-efficient practices.

Sustainability is also integrated into the academic and experiential learning framework. Students are exposed to practical sustainability-oriented activities such as non-polluting electric vehicles, energy conservation, solar energy harvesting and climate awareness initiatives. These activities enable students to connect classroom learning with real-world environmental challenges and develop solutions aligned with the SDGs.

A strong emphasis is placed on community outreach and environmental awareness through plantation drives, lake rejuvenation activities, plog runs, paper-bag distribution, plastic-awareness programmes, eco-friendly Ganesh initiatives, wall-painting campaigns and solid-waste-management awareness. Students actively participate in the Wildlife Week Walkathon from Vidhana Soudha to Lalbagh and subsequently supported street plays and awareness activities in Bannerghatta in collaboration with EMPRI and the Karnataka Forest Department.

Through these integrated initiatives, RVCE demonstrates a holistic approach to sustainability encompassing renewable energy, water conservation, wastewater treatment, waste management, environmental monitoring, biodiversity, sustainable mobility, student engagement and community participation. The institution's sustainability efforts have contributed to an estimated 1,195.7 MT annual CO_2 reduction and are supported by collaborations with institutions such as FH Dortmund, IISc Bengaluru and other academic and industry partners.

Overall, RVCE's sustainability initiatives reflect its commitment to developing a green, resource-efficient and socially responsible campus, while preparing students to become responsible professionals capable of addressing emerging environmental and sustainability challenges.

1.11 GOVERNANCE

RV College of Engineering (RVCE), governed by the **Rashtreeya Sikshana Samithi Trust** (RSST), has evolved a robust and participative governance framework founded on the principles of academic excellence, integrity, transparency, accountability, inclusiveness and continuous improvement. Strategic direction is provided by the Governing Body, with academic and administrative leadership exercised through the Principal and a decentralised leadership structure comprising the Vice-Principal, Deans, Heads of Departments, Associate Deans, faculty and administrative teams, supported by statutory, academic and functional committees.

As an autonomous institution affiliated to Visvesvaraya Technological University, RVCE has significant academic autonomy in curriculum design, assessment and academic practices while ensuring compliance with the requirements of statutory and regulatory bodies. Participative governance is strengthened through the involvement of faculty, students, alumni, industry experts and other external stakeholders in appropriate institutional and quality assurance processes. The institution's governance is further supported by a well-defined Institutional Strategic Development Plan, transparent policies and procedures, regular academic, examination, financial, gender and environmental audits, structured stakeholder feedback mechanisms and systematic Action Taken Reports, with the IQAC playing a central role in institutional quality enhancement and continuous improvement. RVCE has progressively embraced digital governance through its SAP-based ERP ecosystem covering key functions such as finance, human resources, student life cycle management and materials management.

In its next phase of digital transformation, RVCE is implementing an AI-assisted Learning Management System developed by Tribyte, a company founded by RVCE alumni, while simultaneously working towards unifying data generated across various institutional processes on an integrated AI-assisted digital platform linked with the SAP-based ERP system. This evolving digital ecosystem is expected to strengthen data-driven decision-making, process integration, transparency, institutional intelligence and real-time monitoring, thereby enabling RVCE to move towards a more agile, integrated and future-ready model of governance while preserving its strong foundation of academic autonomy, stakeholder participation, quality assurance and responsible institutional leadership.

2.0 ADMISSION PROCESS

2.1 ELIGIBILITY RULES FOR ADMISSION TO MASTER OF TECHNOLOGY PROGRAM

Admission to the Master of Technology course shall be open to all the candidates who have passed BE/B.Tech Examination of VTU (as per the eligibility criteria specified from time to time) or any other University / Institution. The decision of the equivalence committee will be final in establishing the eligibility of the candidates for a particular course. For the candidates with foreign degrees equivalence certificate from the association of Indian Universities is a must.

Candidates who have completed their pre-requisite degree through the distance mode education are NOT eligible for admission to M.Tech.

Admission to M.Tech program shall be open to the candidates who have passed the prescribed qualifying examination with not less than 50% of the marks in the aggregate of all the years of the degree examination. However, in case of candidates belonging to SC/ST and Category I, the aggregate percentage of marks in the qualifying examination shall not be less than 45%.

The candidate must have secured the requisite marks in the entrance exam for PG Programs as per the Karnataka Examination Authority (KEA) or under GATE with an admission order from KEA are eligible for the admission to M.Tech Programs or through the entrance exams conducted by the University or RV College of Engineering.

For admission under the management quota: The candidates should have appeared and qualified in the Entrance Exam conducted by KEA or qualified under GATE or appeared and qualified through the entrance examination conducted by the University or RV College of Engineering.

There shall not be any transfer or migration from one branch to another branch or one college to another college for all PG programs

For more details log on to

(i) **KEA website: http://kea.kar.nic.in**

(ii) **VTU website: http://www.vtu.ac.in**

2.2 ELIGIBILITY RULES FOR ADMISSION TO MASTER OF COMPUTER APPLICATIONS PROGRAM

The approved sanctioned intake by AICTE is 120. For admission to Master of Computer Applications program the candidates shall have passed BCA/ Bachelor Degree in Computer Science and Engineering or equivalent Degree

OR

Passed B.Sc./ B.Com./ B.A. with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Course as per the norms of the concerned University)

2.3 PROGRAM DURATION for PG - M.Tech / MCA Programs

(a) The regular duration of a PG academic program is **TWO (2)** Years

(b) The maximum duration to complete the full time PG program is **FOUR (4)** years.

2.4 NOMENCLATURE OF PG PROGRAMS

Sl. No.	Program	Program Code
1.	Master of Computer Applications	MCA
2.	M.Tech in Product Design & Manufacturing	MPD
3.	M.Tech in Digital Communication	MDC
4.	M.Tech in Computer Science & Engineering	MCE
5.	M.Tech in VLSI Design & Embedded Systems	MVE
6.	M.Tech in Computer Network Engineering	MCN
7.	M.Tech in Machine Design	MMD
8.	M.Tech in Power Electronics	MPE
9.	M.Tech in Structural Engineering	MST
10.	M.Tech in Software Engineering	MSE
11.	M.Tech in Information Technology	MIT
12.	M.Tech in Highway Technology	MHT
13.	M.Tech in Biotechnology	MBT

3.0 ACADEMIC PLANNING

3.1 Academic Planning for PG Program

- The curriculum is designed as per OBE and shall include General Engineering courses, Mathematics, AI for Engineers, IPR, Humanity & Social Sciences, Core Professional Engineering, Professional Electives and Global (Open) Electives and Project works.
- The percentage distribution / coverage of courses are as per the guidelines given by VTU / UGC / AICTE and Ministry of HRD, New Delhi.
- Individual Board of Studies (BoS) for each department takes care of formation of Scheme and Syllabus. The same is then approved by the Academic Council (AC) of the Institution.
- There shall be an equal emphasis on theory, practical / laboratory and workshops.
- Emphasis is also given for Self-study and experiential learning.
- Additions and deletions of any particular course have to be recommended by respective BoS and approved by the Academic Council of the Institution.
- Exclusive major projects and minor projects are also included in the curricula.
- Many interdisciplinary courses and open or global electives are also offered and a student can choose from these as per his/her interest.
- All students have to undergo **Continuous Internal Evaluation (CIE) which** includes Tests, Quizzes, Experiential learning.
- At the end of the semester eligible students have to take Semester End Examination (SEE) for both theory and practical as per the scheme.
- Students declared as 'Not Satisfied Attendance Requirements' or 'Not Satisfied CIE Requirements', now termed as 'DX' are not eligible to take up Semester End Examination (SEE) in that particular Course including laboratory, if any.
- In case of successive failures, A student shall be permitted to avail Elective course substitution, if he/she fails in four attempts. This option is not permitted beyond a maximum of two (2) courses during the entire programme. This course substitution option is not permitted for core courses. More details are listed under section 4.4 c).

CALENDAR OF EVENTS: Academic Calendar will be prepared before the commencement of the academic year and published in the college website (www.rvce.edu.in)

College Timings: Monday to Friday: 9.00 AM to 5.00 PM
Saturday: 9:00 AM to 1:45 PM (Only on 2nd, 4th and 5th Saturday of the month)

Table 3.1 Academic Calendar

Number of Semesters/years	Two Main semesters (*Odd, Even*)
Semester Durations (Weeks)	Main semesters (*Odd, Even*):20 weeks each

If special / remedial classes are arranged by the departments, students will have to mandatorily stay beyond working hours/ timetable including Saturdays. These classes will be counted for attendance.

3.2 SEMESTER REGISTRATION/ DROPPING / WITHDRAWAL OF COURSES

(a) **Every student has to register in person** at the beginning of every semester as per the notification issued by the office of the Dean Academics from time to time. Such students, who do not register within one week from the date of commencement of the semester, shall not be eligible to take up that particular semester. Parents are advised to note.

(b) In case of any delay to register due to any exigency, the parent and student should intimate the Principal/Dean Academics / Dean Student Affairs / Head of the department, RVCE, in advance, indicating the reason for delay in registering. However, for such students also, **the attendance requirement shall be calculated from the date of commencement of the semester and not from the date of reporting to Institution.**

(c) A student may be barred from registering for a semester for specific reasons for not registering, non-payment of fees, not eligible for the current semester due to lack of earning enough credits etc.

(d) **Dropping of Courses:** A student can drop a course under the guidance of the counselor in the specified period (after one month from the date of commencement of the semester) if the faculty mentor and parent feel that the student cannot cope up with all the courses. This dropping of course shall be intimated to the Dean Academics through the HoD, counselor & Dean (PG Studies) before the dropping date as announced in the calendar of events. However, the total credits should NOT **FALL SHORT OF 16 (SIXTEEN) CREDITS** which are the minimum number of credits to be registered per semester. **Dropping of the course is not treated as attempt; student must re-register for that course after 4th semester of the program. The dropped courses are not recorded in the Grade Card**.

Note:

1. If a candidate drops a course, then that particular course has to be taken up only in regular semester.
2. **This facility is not applicable for first year students.**

(e) **Withdrawal from Courses**: A student may opt to withdraw from a course on or before the date specified (normally one month before the end of semester) in the calendar of events. Such students who want to utilize this facility have to submit an application through the HoD to Dean Academics & Dean (PG Studies), in consultation with counselor, parent and HoD of the respective department. The candidate should have fulfilled the attendance criteria (for the course/s that he / she want to withdraw**). The withdrawn course(s) are recorded in the Grade Card as 'W' grade.** However, such withdrawals will be permitted without prejudice to the minimum number of credits as specified in (d). This facility is

not applicable for first year students. Such of those students, who have been declared "W" grade have to re-register during regular semester and earn both attendance & CIE and clear semester end examination. Such a candidate should have fulfilled the attendance requirement for the course(s) subject to maintaining the minimum requirement of 16 (Sixteen) credits for the semester.

*** 'W' Grade is treated as an attempt.**

3.3 ATTENDANCE REQUIREMENT

a) Each semester is considered as a unit and the candidate has to put in a minimum attendance of 85% in each course with a provision for condonation of 10% of the attendance by the Principal, RVCE for reasons such as (i) serious medical condition or (ii) representing the Institute / University /State /Nation in sports, cultural, technical or academic activity with the permission of the Principal duly endorsed by Dean Student Affairs and Dean Academics. Even in such cases, a minimum of 75% attendance is absolutely mandatory. Documents have to be submitted and prior permission must be obtained from the Principal before attending the event. The students who do not satisfy this condition will be declared as **'DX'**.

b) If a student does not fulfill the attendance requirements in any course, he/she is not permitted to attend the Semester End Examination in that particular course.

c) **TEMPORARY BREAK OF STUDY FROM THE PROGRAM**

(i) A student shall be permitted to withdraw temporarily on grounds like prolonged illness, grave calamity in the family or any other serious happenings, if a candidate intends to temporarily discontinue the program in the middle for valid reasons (such as accident or hospitalization due to prolonged ill health, grave calamity in the family or any other serious happenings) and wants to rejoin the program later in respective semester, he / she shall apply to the Principal, RVCE well in advance. Such application shall be submitted within **at least 6 weeks** of the commencement of the semester or from the date he/she has not attended the classes, whichever is later, stating fully the reason for such a withdrawal, together with supporting documents and endorsement of his/her parents/guardians through the Head of the Department.

(ii) The institute shall examine such an application and if it finds the case to be genuine, it may permit the student to temporarily withdraw from the program. Such permission is accorded only to those (a) who have the possibility to complete the prescribed program requirements within the time limits specified by the university. (b) Who do not have any outstanding dues / demand at the college / University level including tuition fees, any other fees, library materials etc.

(iii) The candidate has to rejoin the semester after the break from the commencement of the respective semester as and when it is offered.

(iv) The total period for completion of the program is reckoned from the

commencement of the semester to which the candidate was first admitted and shall not exceed the maximum period of four years. The maximum period includes the break period.

(v) If any candidate is detained for any reason, the period of detention shall not be considered as 'Break of Study'.

(vi) A student availing of temporary withdrawal under the above provision shall be required to pay such fees and/or charges as may be fixed by the college until such time as his/her name appears on the Students' Roll list. However, it may be noted that the fees/charges once paid shall not be refunded. Normally, a student will be entitled to avail of the temporary withdrawal facility only once during his/her studentship of the program. However, any other concession for the student shall have to be approved by the Academic Council of the College. Hence, the student shall take the advice of the Principal to use the above provision only in exceptional cases.

3.4 TERMINATION FROM THE PROGRAM

A student shall be required to withdraw from the program and leave the Autonomous College on the following grounds.

- Absence from classes for more than six weeks at a time in a semester without leave of absence being granted by the competent Authority.
- Failure to meet the standards of discipline as prescribed by the college from time to time.

3.5 SEMESTER SCHEME

Each academic year is divided into two main semesters with their calendar, duration and academic activities fixed in advance by the College and as approved by the AC. The plan for implementing the Semester Scheme in the College is given in the Table 3.2:

Table 3.2 Breakup of Academic Year into Semesters

Number of Semesters	There are two Main semesters
Internship/Industrial Training/ Field Work during Summer Break (for M.Tech programs)	Students need to take up summer internship/ practical training / industrial training/ field work for a minimum period as per the University guidelines and part of the academic curriculum. For regular students, internship/ practical training / industrial training/ field work is between 2nd and 3rd Semester.
Semester Duration	Main Semester is for 20 Weeks including SEE exams or 90 or more working days (as per VTU).

Academic activities (Break up in weeks)	**Regular Semester:** Registration for course- Three days Course work - 17 weeks from the starting date of registration, Examinations- 03 weeks **TOTAL: 20 weeks** Declaration of Results - One week
Examinations	Continuous Internal Evaluation (CIE) and Semester End Examination (SEE), both will have equal weightage in the student's performance evaluation in Course Work / Laboratory Work and other activities. (**NOTE**: The CIE quizzes and tests would be conducted on dates announced in advance as per the calendar of events and its results made known to the students from time to time)
Academic Calendar	The calendar of events for each academic year will be announced for Odd semester & Even semester, before the beginning of each academic year.

3.6 CREDITS STRUCTURE

The Credit Structure for M.Tech and MCA programs are as given in table 3.3 and 3.4 respectively.

Table 3.3 Credit structure for M.Tech Programs

Theory/ Lecture(L) (hrs/wk/sem)	Tutorials (T) (hrs/wk/sem)	Lab/Practical (P) (hrs/wk/sem)	Credits (L:T:P)	Total Credits
4	0	0	4:0:0	4
3	0	0	3:0:0	3
2	2	0	2:1:0	3
2	0	2	2:0:1	3
2	2	2	2:1:1	4
0	0	6	0:0:3	3

Table 3.4 Credit Structure for MCA Program

Lecture (hrs/wk/sem)	Tutorials (hrs/wk/sem)	Lab. Work (hrs/wk/sem)	Credits (L:T:P)*	Credits (Total)
0	0	4	0:0:2	2
2	0	0	2:0:0	2
3	0	0	3:0:0	3
4	0	0	4:0:0	4
3	2	0	3:1:0	4
3	0	2	3:0:1	4
0	0	8	0:0:4	4
3	2	2	3:1:1	5
4	2	0	4:1:0	5
4	0	2	4:0:1	5

3.7 CREDITS REQUIREMENT FOR PG PROGRAMS

The total number of credits required to be earned by students to qualify for the various Degree/Certificate programs are given in Table **3.5.**

Table 3.5 Total number of credits required to be earned by students.

Program	Normal Duration Years (semesters)	Total No. of Credits to be earned
M.Tech Degree	2 years (4 semesters)	80
MCA Degree	2 years (4 semesters)	80

Table 3.6 Credit Distribution for M.Tech Programs

Credit distribution for M.Tech Program 2026 scheme			
S. No.	**Category**	**Credits Assigned**	**% Credits Assigned**
1	Professional Core	30	37.5
2	Professional Electives	09	11.25
3	Basic Science	4	5.0
4	HSS	3	3.75
5	Other Electives (Global)	3	3.75
6	Project Work	20	25.0
7	Internship	5	6.25
8	Skill Based Laboratory	4*	5.0*
9	Online Course	6	7.5
	Total Credits	**80+4***	**100**

Table 3.7 Credit Distribution for MCA Program, 2026 Scheme

Sl. No.	Category	Credits Assigned	(%) Credit Assigned
1	Professional Core	35	43.75
2	Professional Electives	15	18.75
3	Basic Science	04	5.0
4	HSS / AEC	01	1.25
5	Project Work	14	17.5
6	Internship	06	7.5
7	Skill Based Laboratory	02*	2.5*
8	Online Course (MOOC)	05	6.25
	Total Credits	**80**	**100**

4.0 ASSESSMENT AND VALUATION SYSTEM

4.1 ASSESSMENT

a) Assessment testing will be done in two parts as follows, both of them being important **in assessing the student achievement:**

(i) Sessional, involving **Continuous Internal Evaluation (CIE)** will be conducted by the course teacher all through the semester. The evaluation process has three parts, executed by way of Quizzes (Q), Tests (T) and Experiential learning (EL). The evaluation of assignment could be descriptive / analytical type assessment spread throughout the semester, weekly/fortnightly assignments, problem solving, group discussions and seminars depending on the course. CIE could also be evaluated by experiential learning, collaborative learning, project-based learning, problem-based learning, web-based learning, game-based learning, computer-support collaborative learning, mobile assisted learning and seamless puzzle-based learning. The tests have to be written in the official booklets. It is the student's responsibility to see and confirm the evaluation and marks obtained after each test. After ascertaining that he/she has obtained the marks as per the performance, the student shall sign in the blue book after each test.

(ii) The following examinations are to be conducted in an academic year:

- In Odd Semester: ClEs during the semester and SEE at the end of the semester for the courses offered in the odd semester only.
- In Even Semester: ClEs during the semester and SEE at the end of the semester for the courses offered in the even semester only.
- Makeup Examinations: For students of PG programmes with transitional grades viz., 'I' &'X' grades in odd and even SEE shall be given makeup exams after the announcement of SEE results of respective odd and even SEE.
- Supplementary examination for first semester failed students would be conducted along with second semester SEE and supplementary examination of second semester failed students would be conducted along with 3rd semester SEE.

(iii) Terminal Examination designated as **Semester End Examination (SEE)** will be conducted jointly with an external examiner. This will include a written examination for theory courses and practical/design examination including viva-voce for laboratory / design courses. Controller of Examinations (CoE) in coordination with Dean Academics, and Board of Examiners implements the SEE process.

1. CIE and SEE will have **EQUAL (50:50) WEIGHTAGE.**
2. A student's performance in a course is judged by considering the performance in both CIE and SEE.
3. Faculty Advisors / Counselors will monitor the student's CIE performance; take necessary further steps to advice the student accordingly. As a follow up of this, each student will be advised to continue with the average load/credits, drop of courses or withdraw from them as indicated in section 3.2.
4. Students shall be allowed to choose the elective/s, depending on their career plans, and there shall not be any restriction on the minimum number of students to be registered for an elective course.

4.2 CONTINUOUS INTERNAL EVALUATION (CIE):

4.2 A. INTERNAL ASSESSMENT

4.2.1 SCHEME OF CONTINUOUS INTERNAL EVALUATION FOR THE THEORY COURSES:

TOTAL MARKS: 40 + 10 + 50 = 100
[T] [Q] [EL]

Table 4.2.1 Scheme of Assessment Evaluation

	CIE	**SEE**
WEIGHTAGE	50%	50%
QUIZZES [Q]		
Quiz-I	One QUIZ will be conducted for 10 Marks	*****
THEORY COURSE [T] (Bloom's Taxonomy Levels: Remembering, Understanding, Applying, Analyzing, Evaluating, and Creating)		
Test – I	Each test will be conducted for 50 Marks adding up to 100 marks. Final test marks will be reduced to 40 MARKS	*****
Test – II		
EXPERIENTIAL LEARNING [EL]	Maximum Marks: 50	*****
Case Study-based Teaching-Learning	20	*****
Program Specific Requirement for the EL Assessment	20	
Video based seminar (4-5 minutes per student)	10	
MAXIMUM MARKS FOR THEORY	100	100

TOTAL MARKS FOR THE COURSE	50	50

Minimum CIE:

A student satisfying the attendance requirement but failing to meet the passing standard with respect to CIE (Refer to section 4.2 A for the passing standard) in any credited course(s) registered shall not be allowed to appear for SEE in that course, and such course shall be marked as 'DX' in the grade card.

Such students from PG Programmes having 'DX' grade in a course may be permitted to register afresh in the subsequent Odd/Even semester (as there is no summer semester for PG programmes) and appear for SEE after satisfying the minimum ClE and attendance requirements in the same course.

Note: The Classes for re-registered courses with 'DX 'grade in the PG programmes shall be conducted during a time that will not overlap with the regular Odd/Even Semester timetable. Students will have to attend the classes as per the timetable for the re-registered courses.

*4.2.4 **ASSESSMENT OF MOOC COURSES***

- The candidate obtaining "F" grade in MOOC course have to re-register for the course in NPTEL / SWAYAM platform only. The failed course must be cleared / passed in ONLINE mode only.
- The candidate is permitted to change the MOOC course in his second attempt. The respective BoS may propose an alternative course with same credits and complexity out of bunch of courses with the approval from the Office of Dean Academics.
- The candidate must register and complete the course in ONLINE MODE ONLY.

4.2 B. Semester End Examination (SEE) - Theory

The scheme of SEE is given in Table below:

***RUBRICS for SEE* Theory courses**		
Q.NO	**Contents**	**Marks**
Each unit consists of TWO questions of 20 Marks of each. Answer FIVE full questions selecting ONE from each unit [unit 1 to 5]		
1 & 2	Unit 1: Question 1 or 2	20
3 & 4	Unit 2: Question 3 or 4	20
5 & 6	Unit 3: Question 5 or 6	20
7 & 8	Unit 4: Question 7 or 8	20
9 & 10	Unit 5: Question 9 or 10	20
	Total Marks	**100**

***RUBRICS for SEE* Integrated Theory courses with Laboratory**		
Q.NO	**Contents**	**Marks**
Each unit consists of TWO questions of 20 Marks of each. Answer FIVE full questions selecting ONE from each unit [unit 1 to 5]		
1 & 2	Unit 1: Question 1 or 2	20
3 & 4	Unit 2: Question 3 or 4	20
5 & 6	Unit 3: Question 5 or 6	20
7 & 8	Unit 4: Question 7 or 8	20

1	Design and development of Project	20
2	Presentation of the working mode/simulation results/prototype building	20
3	Viva voce	10
	TOTAL	**50**

SEE EVALUATION AND GRADING

I. In case of theory examination, the answer script will be evaluated by Internal course experts with 30% moderation from external examiners

   a. If the difference between the marks awarded by the two evaluators is **less than 15%** of the maximum marks, the marks awarded by the moderator shall be considered for final grading.

   b. If the difference in marks between the two evaluators **is more than** 15%, the matter will be discussedby both the evaluators with CoE, to award the final marks for grading.

II. In case of laboratory examination, evaluation will be carried out jointly by two examiners. There is no provision for revaluation in case of practical exams.

III. After the ODD/EVEN Semester, the Semester end examinations of all the courses of odd/even semesters are conducted to facilitate students to appear for the Backlog courses ('F' Grade/ 'AB' grade) of previous semesters, if any, and also to facilitate to appear for the examinations of DX' grade courses after meeting the minimum attendance and CIE requirements.

IV. Students who have satisfied the attendance and CIE requirements for the course/s, appears for the SEE, but fails to obtain the head of passing in that course/s (Refer to section 7.6 for the passing standard) will be awarded 'F' Grade.

V. Students who have satisfied the attendance and ClE requirements for the course/s, but are absent for the SEE of that course/s will be awarded 'AB' Grade.

VI. Each appearance to SEE or absence from SEE shall be treated as an attempt.

VII. A student shall not be permitted to avail course substitution option beyond a maximum of two (2) courses during the entire programme. This course substitution option is not permitted for core courses.

VIII. Students with satisfactory CIE and attendance in a course/s absent for SEE ('AB' grade) or appeared to SEE, but failed ('F' grade) in SEE**, need not re-register for course/s but can register and appear for SEE directly,**

whenever the next SEE is held for that course in Odd/Even semester end.

IX. Courses with 'DX' Grades shall be registered again in subsequent Odd/Even Semester, when offered.

4.2D. INTERNSHIP / INDUSTRIAL TRAINING

The PG student shall undergo internship / industrial training for a duration of 6 weeks on full time basis after II semester final exams and before the commencement of III semester. The student must submit letters from the industry clearly specifying his / her name and the duration of the internship on the company letter head with authorized signature. Internship must be related to the field of specialization of the respective PG programme in which the student has enrolled.

4.2 E. MINOR & MAJOR PROJECT WORK

1) Before uploading the dissertation report of the major project, the guide shall ensure that the plagiarism check is done and obtain the certificate. The percentage of plagiarism must be < 10% and AI content should be less than 20%. In case, the percentage of plagiarism is > 10% and AI > 20%.the guide shall reject the report and inform the candidate to make necessary corrections and resubmit the same.
2) The candidate shall submit a soft copy of the major project work in the form of a CD which should contain the entire work in both Word and PDF format. Guides after checking the report for completeness as per the format and content, shall upload the report along with the plagiarism report (<20%). The guide shall choose and submit a panel of 3 external subject experts for evaluation of the dissertation through SAP.
3) The guide and the examiners shall independently evaluate and submit the marks in the prescribed format to the controller of examination. The average of the marks awarded by the two examiners shall be the final evaluation marks for the thesis. (A)
4) If the thesis is rejected by the first external examiner the report shall be sent to a second examiner appointed by the panel. If the second examiner also does not approve the dissertation report, the candidate has to carry out the project work once again and shall submit the dissertation report within 8 weeks, in such cases of rejection the candidate shall redo the entire submission of dissertation in softcopy after plagiarism check.
5) The candidate may also choose another topic of dissertation under a new guide, if necessary, in such an event the dissertation report shall be submitted within 4 years from the date of admission to the program.
6) If the dissertation report is approved and evaluated by both the examiners and the candidate secures minimum passing marks in the evaluation the controller of examination shall inform both the examiners to conduct the viva-voce exam and to submit the viva-voce marks.
7) The internal examiner as per the direction of the CoE shall arrive at a convenient date to conduct the viva-voce examination of the candidate in consultation with the external examiner with information to the controller of

examination.

8) The weightage for the evaluation of the project and the performance at the viva-voce shall be as per the scheme specified in the syllabus book. The marks awarded jointly by the examiners (B) after the viva-voce examination shall be sent to controller of examination immediately in a sealed cover
9) The date of submission of dissertation report may be extended to a maximum of 4 academic years from the date of admission to the first semester M.Tech /MCA program
10) Final SEE assessment: SEE=(A+B)/2
11) Final Grading based on CIE+SEE

4.3 GRADING SYSTEM

Absolute Grading system on 10-point scale is followed in the evaluation of student's performance in a course.

a) **LETTER GRADES:** Letter grade is basically a qualitative measure (an alphabet/letter) giving the performance of a student, based on the score. This is arrived at after the student's performance in a course, which includes **both CIE and SEE**.

b) The range of marks for each letter grade shall be as given in the following Table 4.3.

Table 4.3 Grading System

Letter Grade and corresponding Grade Points on a typical 10 - Point scale							
Letter Grade	**O**	**A+**	**A**	**B+**	**B**	**C**	**F**
Grade Point	**10**	**9**	**8**	**7**	**6**	**5**	**0**
% of Marks secured	**90-100**	**80-89**	**70-79**	**60-69**	**55-59**	**50-54**	**0-49**

c) **GRADE POINTS:** Depending on the letter grades assigned, a student earns certain grade points. In the 10-point grading system, the grade points earned for different letter grades are given in **Table 4.3**.

d) Grade point averages SGPA and CGPA: The grade points earned for each course are used further for calculating semester grade point average (SGPA) and the cumulative grade point average (CGPA), both of which being important performance indices of the student.

e) The SGPA and CGPA respectively facilitate the declaration of academic performance of a student at the end of the semester and the end of successive semesters respectively).

(i) **SGPA** (Semester Grade Point Average) is the performance index of a student in a semester and is calculated as follows:

$$SGPA = \frac{\left\lceil \sum \text{(Course Credits) x (Grade Point/s)] for all the course registered by the student, excluding transitio nal grades, in that semester.} \right\rceil}{\left\lceil \sum \text{(Course Credits) for all the courses registered by the student excluding transitio nal grades, in that semester.} \right\rceil}$$

ii. **CGPA** (Cumulative Grade Point Average) is the performance index of a student of all the previous semesters and is calculated as follows:

$$CGPA = \frac{\left\lceil \sum \text{(Course Credits)x(Grade Point/s) for all the courses registered by the students excluding F grades until that semester.} \right\rceil}{\left\lceil \sum \text{(Course Credits) for all the courses registered by the student excluding F grades, in that semester.} \right\rceil}$$

f) **Transitional Grades:** The transitional grades, such as '**I**', '**W**' and '**X**' shall be awarded to a student in the following cases. These shall be converted into one or the other of the letter grades (**O-F**) after student completes his/ her course requirements, including examinations. Refer Section 4.4 e) too.

Grade 'I': Awarded to a student having satisfactory attendance at classes and meeting the passing standard at CIE in a course, but remained absent from SEE for valid and convincing reasons acceptable to the college, like

(i) Severe illness or accidents, which disable him/her from attending SEE.

(ii) A calamity in the family at the time of SEE, which required the student to be away from the college. The candidate or the parents should inform the incident to the Chief Superintendent of Examination before the commencement of particular examination. The documents related to the incident shall be submitted to the Controller of Examinations within a week's time from the date of that particular examination or last day of that particular even/ odd semester examination, whichever is earlier.

(iii) Any other exigency which the Grading Advisory Committee thinks requires consideration, like a student representing the institution / state / university / nation in university / state / national / international level events / competition. In such cases, the student is required to take prior permission from Head of the institution with relevant documents. The student should also submit the proof of having attended the event / competition immediately after returning, without which the transitional grade will not be considered. If the student does not submit the relevant documents that support the claim of the candidate to abstain from the examination if not submitted within the prescribed period, such applications are liable to be rejected for I grade. The grading advisory committee's decision regarding the awarding of the I grade is final.

GRADE 'W': Awarded to a student having satisfactory attendance at classes but withdrawing from that course before the prescribed date in a semester under the advice of counselor and HoD, forwarded to the Dean Academics for approval.

GRADE 'X': Awarded to a student having attendance (> = 85%) and CIE rating (> = 90%) in a course, but SEE performance observed to be 'F', which could result in an overall F grade in the course.

g) **EARNING CREDIT:** A Student would be considered to have completed a course successfully and earned the credits, if he/she secures a letter grade other than DX, I, W, X or F in that course.

4.4 PASSING STANDARDS

a) The Standard of passing in each course is given in the following Table 4.4

Table 4.4 Passing standards

<table>
<tr><td></td><td colspan="2">Cumulative Internal Evaluation (CIE)</td><td colspan="2">Semester End Evaluation (SEE)</td><td>CIE & SEE (Aggregate)</td></tr>
<tr><td>Theory without Practice</td><td colspan="2">= >50% in Quiz + test And
= >50% in overall CIE</td><td colspan="2">= > 40%</td><td rowspan="5">= > 50%</td></tr>
<tr><td rowspan="3">Theory with Practice</td><td>Theory</td><td>= >40% in Quiz + test And
= >40% in overall CIE</td><td>Theory</td><td>= >40%</td></tr>
<tr><td>Practice</td><td>= >50% in Lab record +Test</td><td>Practice</td><td>= >50%</td></tr>
<tr><td>TOTAL</td><td>= >50%</td><td>TOTAL</td><td>= >50%</td></tr>
<tr><td>Practice</td><td colspan="2">= >50% in Lab record +Test</td><td colspan="2">= >50%</td></tr>
</table>

b) **There shall be no re-examination for any course in the credit system** to take care of such students;

(i) Who have absented themselves from attending CIE without any valid reason;
(ii) Who have failed to meet the minimum passing standard prescribed for CIE;
(iii) Who have been detained for shortage of attendance in any course work;
(iv) Who have withdrawn (Grade W) from a course.

Such students shall be required to re-register for the course(s) and go through CIE and SEE again and obtain at least a minimum Grade E or better in each case. While such students shall have to re-register for the same course(s) if hard core, they can re-register for alternative course(s) from among the soft core or elective courses, as the case may be. The re-registration shall be possible only when the particular course is offered again either in a main (Odd/Even).

c) SUCCESSIVE FAILURES

If a student fails in an Elective Course (Grade F) and does not earn the required credits prescribed for the course even after Four (4) attempts that course is deemed to be exempted for the student. Then the students may choose a course of his/her choice from the same pool of electives with the same credits as a substitution for the failed course. The selected course should not have been studied in the earlier semesters or to be studied in the higher semesters. Faculty advisor shall guide the student in this regard.

However, the student can choose to repeat the same course in which he/she failed. This provision is given for only two courses (one at a time) during the entire maximum duration of the programme.

The course substitution option is not applicable for core courses.

e) MAKE-UP EXAMINATION

i) The Makeup Examination facility is available to students who may have missed to attend the SEE of one or more courses in a semester for valid reasons and given the 'I' grade; Also, students having the 'X' grade shall also be eligible to take advantage of this facility. The makeup examination shall be held immediately after the announcement of SEE results as per dates notified in the Academic Calendar. **Appearing in makeup examinations for a course shall be treated as a second attempt** excluding cases wherein a student has participated in national/ international level events like Sports/NCC/NSS/RD Parade etc. with a prior approval from the Institution.

ii) Students claiming makeup examination on the above reasons are required to apply to the Head of Institution, through the respective Department Head, before Attending the event, along with relevant documents issued by a competent Authority. In the event of death and/ or serious illness/ accident of parent or guardian, the application should be supported by appropriate documents. The decision of the committee headed by the Principal of the institute shall be final. ***No make-up examination will be applicable for Online MOOC Courses.***

4.5 SCHEDULE OF EXAMINATIONS

The Controller of Examinations will announce the schedule for the SEE, Makeup and Fast Track examinations. Examinations in an academic year are conducted in the following order:

1. SEE at the end of odd semester
2. Make-up examination after odd semester as per 4.4(c).
3. SEE at the end of even semester
4. Make-up examination after even semester
5. Supplementary exams during the ODD and EVEN semesters, along with regular SEE (Sl. No 1,3)

4.6 VERTICAL PROGRESSION (PROMOTION TO NEXT ACADEMIC YEAR)

(a) Progression to 2nd Year (3rd Semester)

(b) Students having "F" grades for the courses totaling to more than 16 credits in the 1 and 2nd semesters of the first year of the programme shall not be permitted to move to the 3rd semester (2nd year) of the programme. These courses include courses marked as 'DX' and 'AB'.

(c) Promotion from an Odd semester to the subsequent Even semester shall not be restricted in both UG and PG programmes.

(d) Vertical progression shall be as per VTU Regulations and notifications for respective programmes notified from time to time.

4.7 PAPER VIEWING PROCESS (PVP) applicable to all SEE except LAB examinations.

Paper Viewing Process (PVP) has been implemented for both UG and PG programs. After the provisional results are announced, the candidate can view his/her SEE answer scripts. The candidate shall register for PVP and during PVP he/she can give his/her grievance in writing in the prescribed format. Then the answer scripts evaluated once again based on the grievance of the student by an expert committee. Paper viewing process is final and this eliminates issue of Photostat copying of answer scripts, re-valuation and challenge valuation. After the evaluation the final grades are updated.

PVP INVOLVES THE FOLLOWING STEPS

STEP – I: REGISTRATION FOR PVP

The registration dates will be announced by the CoE office once the provisional results have been announced. For each course/s for which the student wishes to verify the answer script, the student needs to register for the course in the prescribed format.

STEP – II: SCHEDULE FOR PVP

The schedule to view the answer scripts will be announced and the student should be present personally to view the answer scripts. During this time, the student will be provided with a grievance form along with the evaluated answer script with marks awarded, scheme of valuation and solution. The students should provide the specific grievance question wise and only those grievances will be addressed.

STEP – III: VALUATION BY EXPERT TEAM

The grievance forms will be verified and each answer script applied for PVP will be evaluated by an expert team and if any change in the marks awarded is found, then better of the marks shall be considered for final grading. No negative evaluation in PVP.

4.8 MALPRACTICE

A student who is booked under malpractice will be prevented from writing that particular examination from the instant he/she is booked for malpractice (**Possession of manuscripts/printed material related or not related to the concerned course of exam; Possession and /or use of mobile phones or any other electronic gadgets, revealing identity in the answer scripts, destroying evidence of malpractice, impersonation, misbehavior, misconduct or any other malpractice related to examination**). The candidate shall be required to appear before the malpractice investigating committee. The day, date and time will be specified by the Chief Superintendent / Controller of Examination. If found guilty, depending on the severity of the case, the committee will impose an appropriate punishment as per the Examination Regulations and Guidelines. In such cases, the said course will be awarded with a credit of '0' (Zero) with the grade 'MP' for the calculation of SGPA.

4.9 REJECTION OF RESULTS

A student is permitted to reject the results of an entire semester (including CIE) **only once during the program duration.** The student, who desires to reject the performance, shall reject performance in all the courses of the semester, irrespective of whether he/she has passed or failed in the courses. Such a student is allowed to take re-admission for the relevant semester. Such a student will have to represent to the Principal in writing with the concurrence of the parent. Rejection of the result is not permitted to the students who have grade 'MP' in the respective semester until the compliance of penalty and punishment is cleared.
However, rejection of Second year Internship and Project work is not permitted.

4.10 GRADE CARDS

Each student will be issued a grade card at the end of odd and even semester as well as fast track examinations. This will have a list of all the courses registered by the student for the examination together with their credits, the letter grades and grade points awarded. Only those courses registered for credit and having grade points shall be included in the computation of the student's performance like SGPA and CGPA and the audit courses will not form part of this computation. The result of mandatory courses, which are of the noncredit type, will also be reflected in the grade card with appropriate letter grades. It may be noted that each student shall have to obtain at least **grade** P **or higher** (pass grade) **in each mandatory course to qualify for the award of degree by the university**.

4.11 PERCENTAGE EQUIVALENCE OF GRADE POINTS (ON 10 POINT SCALE)

The Equivalence of CGPA with the percentage of marks to be considered for equivalence in the conventional system for students coming from VTU colleges to autonomous colleges is as follows:
Conversion of CGPA in to percentage of marks and class equivalence, there is no formula for the conversion of CGPA into the percentage of marks. However, the following table may be referred for the conversion of the CGPA on 10-point scale into the percentage of marks for employment / higher studies, etc.
Percentage = CGPA x 10
Example: 8.54 (CGPA)*10 = 85.4%

Recommendations for Degree Award:

a) **Eligibility for Passing and Award of Degree:**
   - A student who obtains any grade O to C shall be considered as passed and if a student secures F grade in any of the head of passing, he/she has to reappear in that head for the SEE.
   - A student shall be declared successful at the end of the Programme for the award of Degree only on obtaining CGPA 5.00 or more, with none of the Courses remaining with F Grade.

b) Each autonomous institution shall forward its recommendations to the university in respect of students qualifying for PG degree awards based on their success in the examinations / adjudication of theses as the case may be after receiving approval from the authorities / Bodies of the college concerned.

c) The university reserves the right to withdraw a degree even though it has been

granted, should there be discovery that the work upon which it was based or the academic records in support of it had been falsified. In such a case the degree will be withdrawn promptly upon discovery of the falsification.

d) Online courses: to be studied in online mode only. For F grade he /she can take any courses from bunch of the courses permitted by the respective BoS of the departments.

4.12 GRADUATION CEREMONY

(a) The college will have its own annual Graduation ceremony for the award of Provisional Degree Certificates (PDC) to students, completing the prescribed academic requirements in each course of study.

(b) The University will verify the list of students submitted by the college for award of degree and then confirms/accords approval for award of degree. Only after confirmation from the university the college can issue PDC and Transcripts to the students.

(c) Prizes, Medals and Ranks to the meritorious graduating students will also be issued during the graduation ceremony.

(d) **Award of Class at Degree Level**

Master of Technology/M aster of Computer Application shall be awarded to the candidates who have passed all the stipulated courses from 1st to 4th semesters. Declaration of the class for the degree shall be based on the performance of the candidate from 1st to 4th Semester taken together for students.

1. A candidate will be declared to have obtained **First Class with Distinction (FCD)** if the student has passed in all courses from 1 to 4th sem. and secured CGPA greater than or equal to **7.0 CGPA**.
2. A candidate who has passed in all the courses of 1st to 4th semesters securing **CGPA greater than or equal to 6 CGPA, but less than 7 CGPA s**hall be declared to be eligible for the award of M.Tech / MCA Degree **in First Class (FC)**.
3. A Candidate who has passed in all the courses of 1st to 4th semesters securing **CGPA greater than or equal to 5 CGPA, but less than 6 CGPA s**hall be declared to be eligible for the award of shall be declared to be eligible for the award of M.Tech/MCA degree in **Second Class (SC).**

4.13 Award of Ranks

1. **M.Tech** - Maximum of THREE ranks will be awarded in each M.Tech program provided the minimum number of students eligible to appear for the fourth semester SEE is FIVE. The rank shall be declared only for full time students who have passed all courses of every semester in the first attempt and on the basis of CGPA obtained.
2. **MCA** - TEN Ranks shall be awarded in the MCA program or 10% of the students appeared for examinations whichever less is. The rank shall be declared only for students based on aggregate CGPA obtained from 1st to 4th Semester in first attempt only.
3. Student appearing for Makeup / Summer Semester and any subsequent examinations in any credit or audit course/courses during the program shall

not be eligible for the award of ranks. The candidates who do not submit the dissertation report within the stipulated period are not eligible for consideration of rank.

4. Only students who complete the program in two consecutive years for M.Tech/MCA (regular students), are eligible for consideration for the award of ranks.
5. For the award of rank, CGPA shall be calculated from 1st to 4th semester
6. The basis for declaring the rank shall be the CGPA in the descending order of merit from the highest CGPA.
7. CGPA shall be calculated to the second decimal position.
8. Students with CGPA of >=6 (Equivalent to First Class) or above are ONLY eligible for consideration for rank.
9. If two students get the same CGPA, the tie shall be resolved by considering the number of times a student has obtained higher SGPA, if it is not resolved even at this stage, the number of times student has obtained higher grades sequentially from 'O' to 'D' till the tie is resolved. If the tie is still unresolved, the students with similar CGPA will be awarded the same rank.

4.14. Provision to move to Integrated Ph.D program

(a) The candidates pursuing M.Tech. Degree at the University and who have successfully completed the prescribed common coursework of the first three semesters of study with a minimum CGPA of 7.75 out of 10 or 70 % aggregate marks and published research papers in 'SCOPUS/SCI/WoS Indexed Journals /UGC-CARE Approved Journals' or obtained/filed patents shall be eligible for up-gradation to the Ph.D. Program, subject to approval by the Admissions Committee of the University.

(b) Integrated Ph.D. program is a fulltime program.

5.0 VALUE ADDED COURSES & SERVICES

The institution will conduct proficiency courses from time to time depending on industry and skill requirements. A schedule of such courses shall be announced well in advance. Such courses shall be mandatory or otherwise depending on the importance of such courses. Separate certificates shall be awarded for such courses.

5.1 Finishing School

1. A student after getting placed may be required to undergo special training as prescribed by the employers as per the calendar of events that shall be announced from time to time.
2. A student who is not placed but wants to enhance his skills for employability can also opt for finishing school.
3. The curricula, fees (if any) and the courses of finishing school shall be announced by theDepartment of Placement and Training from time to time.

5.2 Professional Societies

Every student is advised to become a member of at least one of the Professional Societies which are active in the institution. They are required to actively participate in the Professional Society activities which will enhance their overall skills, organizational capabilities and leadership qualities apart from opportunity to network with experts from industries and R&D organizations.

1. IEEE Student Branch with Three societies
   - IEEE Communication Society
   - IEEE Power & Energy Society
   - IEEE Computer Society
2. International Society of Automation (ISA)
3. Computer Society of India (CSI)
4. Information Systems Audit and Control Association (ISACA)
5. Indian Institute of Chemical Engineers
6. Indian Concrete Institute (ICI)
7. American Society for Civil Engineers (ASCE)
8. Indian Institution of Industrial Engineers
9. Fluid Power Society of India (FPSI)
10. Indian Society for Heating, Refrigeration and Air Conditioning Engineers(ISHRAE)
11. Indian Society for Technical Education (ISTE)

5.3 Scholarship Facility

RV College of Engineering facilitates the scholarship to all eligible candidates under Government, corporate, NGO and Alumni scholarships schemes. Around 2000 students are benefited by the scholarship schemes to the tune of ₹ 5 crores.

Below are the various Government agencies, corporate & NGOs offering scholarships to our students.

Table 5.1 Scholarship Facility

Sl. No	Government scholarships
01	SC/ST Scholarship
02	SC/ST Fee Concession (Free ship)
03	KEA 2010 Subsidy scholarships

5.4 LIBRARY & INFORMATION CENTRE:

5.4.1 NETWORKING & DIGITAL LIBRARY SERVICES:

The library is a consortia member of VTU for e-Resources, through which we are receiving the following e-Journal/ e-Books: IEEE Conference Proceedings, Springer Nature e-Journals / e-Books, Elsevier Science (Engg + CSE), e-Journals / e-Books, EBSCO Engineering Suite, ProQuest (Architecture and all Engineering and its Allied Branches Database), Emerald e- Journals/e-Books, Packt e- Books, New age e- Books and other mentioned below. Technology Platform: Knimbus – Remote Access; Drillbit Plagiarism Software.

These e- Journals can be accessed within the Campus through the link provided in the library page of website https://rvce.edu.in//lib-journals and at home Knimbus remote access. IEEE e- Books, Pearson e-Books, Wiley e-Books, Turnitin Anti-Plagiarism Software are Institutional subscribed resources, these can be accessed anywhere by using RVCE e-Mail ID and Password.

Library is also a member of DELNET and is also making use of the interlibrary loan facility provided by DELNET, for borrowing non-availability of books, manuscripts, and journal papers in the library, and sending required library books to DELNET on request.

Web OPAC: The availability of books in the main library and to check number of books borrowed by the reader can be accessed through any internet browser with the link **http://220.158.157.164/opac**. This can be accessed from college as well as home.

Online access: IP enabled online access facilities for e-books and journals have been provided for students and faculties throughout the campus and at home. Website https://rvce.edu.in/library/e_resources/

5.4.2 CENTRAL LIBRARY:

Total number of Titles: 61835
Total number of Volumes: 196612

5.4.3 POLICY FOR ISSUE OF BOOKS AND OTHER LIBRARY RESOURCES:

- Each user is provided with a ID Card, Students should keep their ID card safely, so that no one else misuses it. In case loss of identity card, a duplicate will be issued only on payment of Rs.1000/-.(The challan should be collected from the Cashier in the Admin Block. The payment must be made only at Kotak Bank. After making the payment, the receipt should be submitted to the Library for the issue of a duplicate ID card.).
- Four books are issued for undergraduates and five for postgraduate students.
- Two additional Books are issued for SC/ST students.
- Students are permitted to borrow CDs along with books.
- Reference books are to be read within the library premises.
- Books are issued for a period of two weeks, with one renewal for next two weeks.
- For late return of books, late fee of Rs.1.00 per day is collected.
- Reservation policy is provided.

- In case of a student is leaving the institution on long leave, completed course he/she should obtain a **"No due Clearance"** from the library by returning all the documents borrowed and paying other dues, If any.

5.4.4 ***WORKING HOURS OF LIBRARY***

Monday to Friday: 09.00 am to 09.00 pm
Saturday: 09.00 am to 5:00 pm
(2nd and 4th College Working Saturday's)
Sunday: 09:00 am to 01.30 pm

5.4.5 ***DIGITAL LIBRARY FACILITY***

The internet and e- resources accessibility is available at digital library, is open to all students The students are required to follow the instructions displayed at the library and digital library strictly in order to avoid withdrawal of these facilities for such students who violate any of the Rules.
Email ID: library@rvce.edu.in ; librarian@rvce.edu.in

5.5 PLACEMENT & TRAINING

About placement and Training Department:

- The Department presently coordinates with more than 300 leading organizations which recruit Engineers/Technocrats.
- The RVCE has all the required facilities for the conduction of the recruitment process such as seminar hall for company presentations, rooms for group discussion, conferencing and interviews.
- The Department is a nodal agency for providing inputs on career opportunities for higher studies.
- The Department also engages with the corporates to offer scholarship to students on merit cum means basis. The scholarship to the tune of Rs.0.70 Crores is instituted with approximately 130 beneficiaries.
- It provides platform for the students to interact with company executives in the form of HR conclave, Industry collaborate workshops, guest lectures by top corporate and top University faculty like MIT etc.
- Industry sponsored best student award, best teacher award, star award etc., is organized by Placement Department
- The Training Program which is being offered at the institutional level and being facilitated by the Department of Training & Placement and is aimed at orienting the students with life skills.

5.6 HOSTEL FACILITY

(a) There are four BOYS Hostels in the campus catering to over 1200 inmates.
(b) **There is one ladies hostel inside campus and another located near the college**.
(c) All the hostels in the campus are equipped with modern kitchen equipment and solar heating facility.
(d) Hostels are provided with Internet& common TV Room, Indoor Games facilities.
(e) Boarders are part and parcel of the hostel blocks and mess Administration
(f) **Boarders who excel in academics are given awards.**
(g) **Boarders are encouraged to take part in NSS, NCC, Rotaract, Raag and Sports activities.**

BOYS HOSTELS

Warden	**Dr. S C Prasanna Kumar** Professor Dept. of Electronics and Communication Engineering (O): 080 6818 8475 (M): 9448557845
Deputy Warden	**Dr. A.H. Manjunatha Reddy** Associate Professor Dept. of Biotechnology (O): 080 6818 8160 (M): 984457369

Name of the Hostel	Accommodation Details	No. of Rooms	Total Capacity
Sir M. Visveswaraya (Single occupancy)	Final Year UG & PG Students	254	254
Chamundi (Double occupancy)	First year UG Students	123	250
Cauvery (Double occupancy)	2nd and 3rd Year UG and PG Students	352	704
Krishna (Double occupancy)	First year UG Students	74	148
Krishna Annex (Double occupancy)	First year UG Students	30	60

GIRLS HOSTEL EXECUTIVES

Warden	**Dr. Padmaja K V** Professor Electronics & Communication Engineering (O):080-68188166 (M): 9845016646
Deputy Warden	**Dr. Sudha Kamath** Professor, Department of Physics (O): 080-68188234 (M):9480404395

GIRLS HOSTELS				
Name of the Hostel	**Used by**	**No. of Rooms**	**Total Capacity**	**Contact No. of In-House Warden**
Krishna Garden Hostel (Off Campus) (Double Sharing)	UG & PG Students	66	132	Caretaker: Mrs. Vidyawati 7795981203
RVCE Girls DJ Hostel (On Campus) (Triple Sharing)	UG Students	95	285	Caretaker; Mrs. Dhanamma 8553425655

IMPORTANT NOTE

In case of violation of College / Hostel norms & rules and regulations, a student may be prevented from continuing in that semester and / or appearing for the semester examination depending on the outcome of the Disciplinary Action Committee report. Ignorance of any rule does not condone any misbehavior.

6.0 CO-CURRICULAR/EXTRA CURRICULAR ACTIVITIES

All cultural activities in the college are conducted under the umbrella of CAT (Cultural Activity Team). The CAT has the following wing of student clubs of different types of cultural activities.

6.1 CULTURAL ACTIVITY TEAMS

(A) ALAAP (MUSIC CLUB)

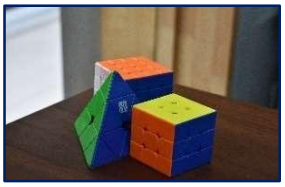

Alaap is the music club of RVCE. With about 60 musicians who are well versed with different genres. play quite a few genres like Carnatic classical, Hindustani classical, western classical, jazz, pop, rock and some metal.

(B) CARV (CIRCLE OF ACTING AT RV)

Circle of Acting in RV, CARV promotes talent in dramatics and has been actively organizing events in the college such as Street Acts, Stage Competitions as well as put up various stage shows in Bangalore. They are divided into three strands on the basis of language, a) CARV English, b) CARV Hindi, c) CARV Kannada

(C) CUBEX (CUBING CLUB)

Cubex is the cubing club of RVCE.

(D) DEBSOC

RVCE Debating Society is a high achieving society that participates in and organizes Parliamentary Debating Tournaments. Since its inception in 2003, RVCE Debating Society has been a society that has focused on excellence and inclusion. They train our juniors in the activity of Parliamentary Debating, providing them a worldview in several aspects beyond their academic skills. Through this society and the training, it provides, members significantly develop their public speaking skills and confidence. They diversify their

viewpoints and move towards developing as individuals. As a society they have achieved several notable feats on a national and international level.

(E) EVOKE (FASHION CLUB OF RVCE)

This is the fashion club of RVCE. They organize ramp walks and participate in many college fests in and outside of Bengaluru. They also perform for many fashion companies such as Pantaloons etc.

(F) FOOTPRINTS (DANCE CLUB)

(G) KANNADA SANGHA

Footprints is a cultural dance organization from RVCE. It is a community of dancers with versatile dance culture and background. The team mainly comprises of 3 divisions: The Western association: Enigma, The Eastern association: Dhritarang, The Classical association.

It provides an opportunity to non-Karnataka students to get an exposure to Karnataka's heritage and language, through Kannada programs.

(H) PHOTOGRAPHY CLUB

This club plays a major role in capturing all of the college events, fests etc. They promote photography skills throughout the college and help organize various events.

(I) QUIZ CORP

RV QuizCorp is the official quizzing club of RV College of Engineering, dedicated to fostering curiosity, knowledge, and intellectual engagement. As one of the most active and accomplished quizzing clubs in the country, we specialize in both hosting and participating in quizzes. Our members push the boundaries of learning through competitive quizzing and funda based answers.

(J) RAAG (YOUTH CLUB OF RVCE)

The Youth Club of RVCE conducts various programs inculcating social awareness among students. It also conducts programs for skill development and literature.

(K) ROTARACT

Rotaract Club of R.V. College of Engineering is an institution based club in R.I. District -3190, sponsored by Rotary Bangalore South. The club takes pride in having a record of an annual 1000+ registrations every year and thus being the biggest Rotaract club in South East Asia and one of the largest in the world.

(L) **SATTVA (THE ART CLUB):** A club to promote fine arts and crafts.

(M) TEDxRVCE

TEDxRVCE is an independently organized TEDx event at RV College of Engineering, dedicated to spreading ideas that inspire, innovate, and ignite change. As a platform for thought-provoking discussions, TEDxRVCE brings together visionary speakers, industry leaders, and change makers to share their insights across diverse fields. Through its events, TEDxRVCE aims to empower minds, challenge perspectives, and spark conversations that extend beyond the stage, leaving a lasting impact on attendees.

6.2 INNOVATIVE CLUBS

The institution encourages and supports a wide range of student clubs and technical teams that foster innovation, collaboration, and hands-on learning. These teams actively participate in national and international competitions, contribute to research and development, and provide a platform for students to explore their interests beyond academics. The following is a list of active student teams and clubs:

SL No.	Name of the Innovative Club	Brief description
1	Ashwa Mobility Foundation	A student-led mobility engineering club focused on designing and developing advanced vehicles for Formula Student, Moto-Student, Hyperloop, and sustainable mobility challenges. The club promotes hands-on learning in automotive design, prototyping, and vehicle innovation.
2	Astra Robotics	A multidisciplinary robotics club working on autonomous robots, planetary rovers, AI-based navigation, embedded systems, and robotic hardware development. The club emphasizes research-oriented projects and real-world robotic applications.
3	Coding Club	A technology community fostering programming skills, competitive coding, cybersecurity, artificial intelligence, and software development through contests, workshops, hackathons, and industry interactions.
4	EDC Cell	A student-driven platform promoting entrepreneurship, startup culture, innovation, and leadership through business simulations, incubation programs, workshops, and industry collaborations.
5	Team Garuda	A super-mileage vehicle development club focused on designing fuel-efficient and energy-efficient vehicles. It provides students experience in automotive systems, aerodynamics, fabrication, and sustainable transportation solutions.
6	Project Jatayu	A UAV and drone technology club dedicated to developing autonomous aerial systems, drone platforms, swarm technologies, and aerospace solutions through research and competitions.
7	Team Antariksh	A rocketry and space systems club engaged in designing and developing sounding rockets, CubeSats, CanSats, avionics, propulsion systems, and advanced aerospace technologies.

SL No.	Name of the Innovative Club	Brief description
8	Team Chimera	An electric racing team focused on sustainable mobility through the design, simulation, fabrication, and testing of high-performance electric race cars for national and international competitions.
9	Team Helios Racing	An off-road electric vehicle development club specializing in All-Terrain Vehicles (ATVs), electric powertrains, chassis design, telemetry, and performance optimization for BAJA competitions.
10	Team Krushi	An agricultural innovation club applying engineering and emerging technologies to address real-world agricultural challenges through smart farming, automation, and sustainable solutions.
11	Team Vyoma	An aero-design and UAV research club focused on aircraft design, autonomous aerial systems, payload carrying platforms, aerodynamics, avionics, and flight control technologies.
12	Ham Club	An amateur radio and communication technology club promoting RF communication, antenna design, signal processing, software-defined radio, and emergency communication skills.
13	Team Elektra	An autonomous vehicle and robotics research club working on self-driving technologies, AI/ML, sensor systems, embedded systems, IoT, and electric vehicle applications.
14	Chitrak	An electric motorcycle innovation club focused on electric vehicle design, fabrication, sustainable mobility, battery systems, and advanced vehicle technologies.

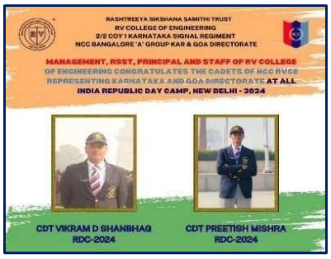

6.3 NATIONAL CADET CORP (NCC)

The National Cadet Corps (NCC) is more than an organization, it is a cradle of Courage, Camaraderie and Commitment. NCC RVCE cadets uphold the motto: "Unity and Discipline" with valour in their hearts and strength in their actions as they represent Karnataka and Goa Directorate and RVCE at national and international levels.

For all these achievements, our college was recognized as "Best NCC Institution Runners – 2017" "Best NCC Institution Winners – 2018" and "Overall Best NCC Institution – 2019, 2021-22, 2022-23, 2024-25 and 2025-26" of Karnataka and Goa Directorate. A total of 18 cadets have attended the Republic Day camp ,18 in Thal Sainik Camp, 6 IDSSC, 6 AIGVMSC, 5 NSCC, 3 India Team Group B Trials, 10 in Youth Exchange Programs and 1 in Advanced Mountaineering camp so far, who have made NCC RVCE and the directorate proud. NCC RVCE has also produced 14 cadets who went on to join Armed Forces.

Achievement and activities:

CSUO Preetish Mishra and JUO Vikram D Shanbhagh of NCC RVCE represented Karnataka and Goa Directorate at Republic Day Camp-2024, at New Delhi.

Further, CSUO Preetish Mishra represented India in International Cadet Exchange Program, Singapore 2024.

6 Cadets of NCC RVCE represented Karnataka and Goa directorate in Inter Directorate Sports Shooting Competition-2024, 6 cadets in AIGVMSC, 5 cadets in NSCC and 3 cadets in India Team Group B Rifle Trials 1&2.

4 cadets of NCC RVCE represented Karnataka and Goa Directorate in All India Thal Sainik Camp-2024 at New Delhi. They took part in various events such as under various events such as Map Reading, JDFS and Health & Hygiene.

CDT Nitish Agrawal joined Indian Naval Academy through 10+2 Navy Tech, 2024. SUO Seema S Tendulkar joined Indian Naval Academy through SSC entry, 2025. CDT Vilaas V R joined National Defence Academy, 154th course, 2025.

For the first time, NCC RVCE conducted an event of their own, Lakshya, a 10 m break barrel rifle shooting experience under the able guidance of our principal, Dr. K N Subramanya and Dr. K M Ajay, CTO of NCC RVCE.

The event was conducted over 2 days i.e. 26th and 27th of April, 2025 and around 441 participants showed up with josh and enthusiasm. The event aimed to provide hands on experience of professional shooting.

NCC RVCE had the honour of hosting the Inter Group Sports Shooting Competition (IGSSC-2025) for the first time on the RVCE campus.

The Medal Ceremony of the Competition was graced by the esteemed presence of the Deputy Director General of the Karnataka.

NCC RVCE along with 1 Karnataka Signal Regiment, efficiently managed the accommodation and food arrangements for all participating cadets, ensuring their comfort and contributing significantly to the smooth and successful conduct of the event.

Cadets of NCC RVCE are actively engaged in Social Service and Community Development (SSCD) activities throughout the year, like Election Volunteering, Plantation Drive, Drug awareness walkathon, Iskon volunteering and many more. Over the years, many cadets have gone on to pursue diverse and distinguished careers in the Armed Forces, Civil Services, and various other fields, excelling and making their mark in every path they've chosen.

6.4 NATIONAL SERVICE SCHEME (NSS)

National Service Scheme (NSS), under the Union Ministry of Youth Affairs and Sports, is dedicated to fostering community service and social responsibility among students. Guided by its motto "Not Me But You", NSS instills values of selfless service, teamwork, empathy and promotes service and leadership skills.

At RVCE, NSS is an active and vibrant unit with over 100 committed volunteers engaged in year-round activities. These include social awareness campaigns, community, village development projects, environmental conservation, Government school development initiatives etc.

Flagship programs such as the Utsarga Marathon promote fitness and social responsibility, while village camps allow volunteers to engage with rural communities, understand their needs and contribute to developmental projects. Nature camps, featuring eco-walks, wildlife safaris, forest visits, and conservation activities helps to cultivate environmental sensitivity among NSS Volunteers. The unit also organizes Police Marshall programs to spread awareness on drug abuse and its prevention, encouraging youth to lead a healthy, substance-free life. Other initiatives include government school improvement, plantation drives, cultural programs, and participation in public welfare activities, all aimed at developing leadership skills and a spirit of service.

Major Achievements of NSS RVCE:

a. Independence Day Cultural Parade: NSS Volunteers showcase India's cultural diversity at the Manekshaw Parade Ground, earning special appreciation from the Government of Karnataka.
b. Awareness Campaigns: Volunteers conducted impactful programs on cybersecurity and the ill effects of drug abuse, engaging the public through interactive sessions. Their work was recognized with an award from the Home Minister of Karnataka.
c. Cleanliness Drive under Swachh Bharath Abhiyaan: A large-scale drive and awareness campaign on hygiene and environmental care, featured on DD Chandana, drew community praise and inspired further participation.
d. International Yoga Day Guinness Record: In collaboration with Akshara Yoga, NSS volunteers contributed to setting 12 Guinness World Records in one day.
e. Samvedna 2.0 Blood Donation Camp: A two-day drive mobilized students and staff to donate blood. The dedication of volunteers ensured the event's success, earning special commendation from the State NSS Officer.

Through these initiatives, NSS RVCE continues to uphold its mission of service, leadership, and holistic development, making a tangible difference to society.

	
Special prize at Manekshaw Parade ground on August 15th, Independence Day	Police Marshall Award by Home Minister and Chief Minister

	
International Drug Awareness Day	Utsarga Marathon
	
Plog Run and Awareness drive at Jnanabharati. Eco Sensitization activity	Ecofriendly Clay Ganesha Distribution
	
Couuminity Development and Social Connect activity at Jnanabharati Layout	NSS Village Camp at Peraje
	
Mega Plantation drive at Kanakapura	Blood Donation Camp samvedana 2.0

	
Government School Activity PUSTAKA	Police Marshall
	
NSS Pre RD Parade Practice	NSS Government schemes Awareness

7.0 DISCIPLINARY MEASURES

7.1 GENERAL DISCIPLINE

a. The students shall not assist or even associate himself / herself in any activities which disturbs or is likely to disturb the peace and smooth working of the institution.
b. The tuition fee shall be paid by the student before or at the time of admission / registration in every academic year.
c. The student shall follow all the rules and regulations laid down by the college authorities/management from time to time.
d. Students shall have to maintain regular attendance. In case of attendance less than 75% the student shall not be allowed for the ensuing CIE tests. Cumulatively he should have over 85% attendance as mentioned earlier, to be eligible for the semester end exams. In case of any absence, they should have to provide appropriate proof (medical certificate /letter from parent etc.) and information, within three days of the absence to the department, the teacher concerned and the counselor.
e. In case of planning to participate in any curricular (including paper presentation/competition), co-curricular and extra-curricular activities, prior permission has to be sought through proper channel. Further immediately within three days, on return from the event, should also provide the necessary proof to the counselor, the department, and the teacher concerned. Otherwise, they shall not be considered for any attendance benefit and the certificate shall not be considered for credits for the paper on Innovation and Social Skills.

RECOVERY OF LEGAL CHARGES AS APPLICABLE

The institution shall recover legal expenses incurred towards representing/defending such petition/suit before any court of law by making the Institution a party for their personal benefit (eg. Name change etc) and the parents /students shall abide by such reasonable condition and pay such amount which would be on actual.

7.2 ANTI-RAGGING RULES

a. As per the orders of the Supreme Court, Govt. of India, UGC, AICTE, Govt. of Karnataka, VTU, "Ragging" is a Criminal Offence leading lo Non-Bailable Imprisonment. Students should not indulge in ragging or support ragging directly or indirectly in whatsoever manner. Severe action shall be initiated against those indulging in ragging or supporting ragging.

b. Ragging means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his/her person or exposes him/her to ridicule or to forbear from doing any lawful act, by intimidating, wrong fully confining or injuring him or by using criminal force on him / her or by holding out to him / her any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force.

c. Ragging Menace is a criminal offence and such of the students who involve in ragging shall be rusticated from the college. Further, their University degree and conduct certificates shall be embossed in BOLD letters with a statement that they indulged in ragging.

d. Students indulging and/or encouraging ragging shall not be eligible for placement services, hostel facility, air concession, railway concession, scholarships, passport/visa clearance etc.

e. Photographs of students who have been involved in ragging shall be published in the notice board and also published in local newspapers.

f. Enquiry committee's decision regarding the punishment is final.

g. The offence of ragging is not only punishable under Section 116 of the Karnataka Education Act, 1983, but also under various provisions envisaged in Sections 109, 110, 111, 112, 113,

114, 115, 116,302,305,306, 339, 340, 341. 342, 343, 344, 346, 347, 354, 359, 368,448,451 and 506 of the Indian Penal Code (IPC).

7.3 DRESS CODE

a. Dress code is defined based on the need for safety, security, functionality and comfort.
b. Students are required to wear decent outfits.
c. Girls are expected to wear Chudidars / Salwars and Kameez with sleeves. Jeans with decent tops with sleeves are allowed. No tight fitting clothing is permitted.
d. Boys are expected to wear shirts and trousers. No tight fitting clothing is permitted.
e. Displaying offensive and obscene slogans and icons on clothing is prohibited.
f. Uniforms for Labs is white coats and for workshops steel grey uniform.
g. Students who do not adhere to the dress code are liable to be rusticated from the institution.

7.4 MOBILE PHONE

a. The **possession & use** of Mobile Phones by the students in the academic areas inside the campus is banned. However, for the convenience of the students the mobile lockers have been provided in every department. The parents/ guardians are advised not to call to the students on the mobile phones from 9.00 AM to 5.00 PM. In case of emergency, please contact respective HoD or Counselor.
b. If a student is found conversing on mobile or in possession of a mobile phone in any of the academic areas, the mobile shall be confiscated and fine of Rs.5000/- shall be levied for violating the rule.

7.5 SECURITY ISSUES

a. Wearing of identity card in such a way that it is clearly visible, is a must inside the campus for security reasons. Entry in to the campus without valid Identity card is strictly prohibited.

   The faculty and the security personnel have the authority to check the ID cards
b. Motorcyclists must remove their helmets before entering the College campus.
c. College Security Staff have the right to ask individuals to identify themselves. Action shall be initiated against those persons who refuse to identify themselves.
d. The students are advised to park their vehicle in the designated parking areas.

7.6 SUPPORT SERVICES

The following support services are available on campus:

Sl. No.	Service	Location on Campus
1.	Photocopying Facilities	Near the food court
2.	Banking Facilities (with ATM)	At the college entrance
3.	Post Office	At the college entrance
4.	Stationery Stores	Near the food court
5.	Food Courts (Three)	Near the Bio-Tech quadrangle Opposite the Library Opposite Cauvery Hostel
6.	Health Centre	Behind the CSE department
7.	Pharmacy	At the college entrance
8.	Meditation Centre	Behind the CSE department

DRUG AND SUBSTANCE ABUSE

The institution maintains a strict zero-tolerance policy regarding the possession, consumption, distribution, or manufacture of illegal drugs and unauthorized controlled substances on campus. Any student in violation shall face immediate suspension pending a formal review by the **Grievance Redressal Committee**. To ensure campus safety, the institution reserves the right to conduct authorized drug screenings based on reasonable suspicion. Students seeking help for substance abuse are strongly encouraged to contact the Student Counselling Center for confidential support.

CYBER SAFETY AND DIGITAL FRAUD

The institution maintains a strict policy regarding cybercrime, digital misconduct, and financial fraud on campus or through its networks. Prohibited activities include unauthorized system access, phishing, identity theft, online harassment, and financial scams. Any student in violation shall face immediate suspension pending a formal review by the Grievance Redressal Committee. To maintain digital security, the institution reserves the right to monitor network traffic and investigate suspicious online behaviour.

ANNEXURE - I

KEY EXECUTIVES

SL No.	Designation	Name	E-Mail ID

ACADEMIC PLANNING & DELIVERY

ATTAINMENT & CLOSING THE LOOP

CO & PO / PSO ATTAINMENT COMPUTATION

KNOWLEDGE & ATTITUDE PROFILE

- **WK1:** A systematic, theory-based understanding of the natural sciences applicable to the discipline and awareness of relevant social sciences.
- **WK2:** Conceptually-based mathematics, numerical analysis, data analysis, statistics and formal aspects of computer and information science to support detailed analysis and modelling applicable to the discipline.
- **WK3:** A systematic, theory-based formulation of engineering fundamentals required in the engineering discipline.
- **WK4:** Engineering specialist knowledge that provides theoretical frameworks and bodies of knowledge for the accepted practice areas in the engineering discipline; much is at the forefront of the discipline.
- **WK5:** Knowledge, including efficient resource use, environmental impacts, whole-life cost, re-use of resources, net zero carbon, and similar concepts, that supports engineering design and operations in a practice area.
- **WK6:** Knowledge of engineering practice (technology) in the practice areas in the engineering discipline.
- **WK7:** Knowledge of the role of engineering in society and identified issues in engineering practice in the discipline, such as the professional responsibility of an engineer to public safety and sustainable development.
- **WK8:** Engagement with selected knowledge in the current research literature of the discipline, awareness of the power of critical thinking and creative approaches to evaluate emerging issues.
- **WK9:** Ethics, inclusive behaviour and conduct. Knowledge of professional ethics, responsibilities, and norms of engineering practice. Awareness of the need for diversity by reason of ethnicity, gender, age, physical ability etc. with mutual understanding and respect, and of inclusive attitudes.

INNOVATIVE TEAMS OF RVCE

Ashwa Mobility Foundation (AMF): Designs and fabricates Formula-themed race cars and mobility solutions to address urban transportation issues.

Astra Robotics Team: Focuses on designing and building application-specific robots.

Coding Club: Helps students gain coding skills and succeed in competitions like GSoC and ACM-ICPC.

Frequency Club Team: Works on software and hardware, emphasizing AI and Machine Learning.

Team Garuda: Develops a supermileage urban concept electric car and E-mobility products.

Team Jatayu: Builds low-cost UAVs with autonomous capabilities for various tasks.

Team Antariksh: Focuses on space technology and the development of operational rockets.

Team Chimera: Builds a Formula Electric Car through R&D in E-Mobility.

Helios Racing Team: Designs and tests All-Terrain Vehicles, participating in SAE's BAJA competitions.

Team Krushi: Creates low-cost farming equipment to assist farmers in cultivation and harvesting.

Team Vyoma: Designs and tests radio-controlled aircraft and UAVs.

Team Dhruva: Engages in astronomy-related activities and collaborates on projects with organizations like ICTS and IIA.

Ham Club: Promotes Amateur Radio and explores technical innovations in communications, especially for disaster response.

Chitrak : It is the official electric bike team of RV College of Engineering (RVCE) in Bangalore

Anoraniya:A Quantum based technical club initiated by students. The club is dedicated to addressing various technical challenges in quantum technologies and is on the verge of delivering some fascinating results.

Accelerate Club: organizes and participates in hackathons, bootcamps, workshops, and student-led innovation drives.

Cultural Activity Teams

- ALAAP
- Studio Zero
- CARV English
- CARV Hindi
- CARV Kannada
- Sattva
- F6.3 Photography club
- RAAG
- Rotaract Club of RVCE
- DebSoc
- QuizCorp RV
- Footprints
- Evoke
- TEDXRVCE

NSS of RVCE

NCC of RVCE

VISION

Leadership in Quality Technical Education, Interdisciplinary Research & Innovation, with a Focus on Sustainable and Inclusive Technology

MISSION

- To deliver outcome based Quality education, emphasizing on experientiallearning with the state of the art infrastructure.
- To create a conducive environment for interdisciplinary research and innovation.
- To develop professionals through holistic education focusing on individual growth, discipline, integrity, ethics and social sensitivity.
- To nurture industry-institution collaboration leading to competency enhancement and entrepreneurship.
- To focus on technologies that are sustainable and inclusive, benefiting all sections of the society.

QUALITY POLICY

Achieving Excellence in Technical Education, Research and Consulting through an Outcome Based Curriculum focusing on Continuous Improvement and Innovation by Benchmarking against the global Best Practices.

CORE VALUES

Professionalism, Commitment, Integrity, Team Work, Innovation
